2. Learned Additional Government Pleader accepts notice on behalf of all the respondents. He submits that the matter is pending before the Principal Secretary, Finance Department and that about six months is required to complete the process.

3. The position that emerges on examining the affidavit and documents is that the petitioner is not in a position to use his land in view of the acquisition proceedings. He has also not received any compensation till date. In these circumstances, it is just and necessary that action be taken on an expeditious basis to issue an award and pay compensation.

4. Accordingly, the respondents 3 to 5 are directed to issue the award and disburse the compensation to the petitioner for the acquisition within four months from the date of receipt of a copy of this order.

5. This Writ Petition is disposed of on these terms. No costs.
