4. It is the case of the petitioner that the third respondent company has acquired the lands in S.Nos.189/1, 187/2, 186, 185, and 177/5 for the purpose of establishing a wind power generation. There are residential houses and agricultural lands in S.No.176/1 situated approximately 50 meters from the proposed wind farm site. The proposed wind farm is being constructed in close proximity to the said residential area, thereby causing noise disturbance to the residents.
