4. This Court is also of the same view expressed by the learned Additional Government Pleader. Unless and otherwise, a tender is called for in this regard, the question of considering the representation of the petitioner does not arise. Further, there is no jurisdiction for the respondents 1 and 3 to consider the request of the petitioner for removal of gravel from the second petitioner's cite in the absence of any contract between the petitioner and the second respondent.

5. This Writ Petition is a premature one and hence, dismissed. No costs.
