ORDER

A challenge has been made to the impugned paper publication issued by the second respondent vide his proceedings in paper publication Na.Ka.No.1771/2024/F1 dated 22.06.2022 and consequential order passed by the second respondent vide his proceeding in Na.Ka.No.5577/2025/F1 dated 08.08.2025 and for a consequential direction to the third respondent to register the document presented by the petitioner for registration.

2.With the consent of the parties, the Writ Petition is taken up for final disposal at the admission stage itself.

3.Learned Counsel for the petitioner would submit that petitioner intended to sell the property to set-right his loss in the business but the third respondent refused to register the sale deed citing the reason that a paper publication has been issued by the second respondent not to register the properties. Hence, the present Writ Petition has been filed.

4.However, learned Standing Counsel appearing for the second respondent would submit that, in the present case, adjacent

W.P.(MD) No.35896 of 2025

to the subject property there is a sewage treatment plant established by the Municipality and now the Pollution Control Board is insisting upon a condition that the second respondent is supposed to maintain certain extent of vacant lands in and around the sewage treatment plant with greenery and only for that purpose they intend to acquire the subject properties. Therefore, they have refused to issue no objection as requested by the petitioner.

5. Heard the learned Counsel for the parties.

6. Considering the submissions made by the learned Counsel on either side, this Court finds that the second respondent Municipality is intending to acquire the lands in and around the sewage treatment plant. If they intend to acquire the lands, they can very well proceed with the acquisition proceedings, rather simply serving a communication to the Sub-Registrar stating not to register any sale deeds is illegal. Even if the land is sold by the petitioner, the second respondent Municipality can very well acquire the lands after payment of compensation to the land owners. Such being the case, I do not find any impediment for the second respondent in allowing the petitioner to sell the property to third parties. Hence, I do not find any justification in rejecting the

W.P.(MD) No.35896 of 2025

petitioner's request for registration of the sale deed by the third respondent and also demanding no objection certificate from the second respondent.

7.In a similar circumstances, in W.P.(MD)Nos.6344 & 6396 of 2022 dated 09.06.2022, this Court has quashed the impugned order and allowed those Writ Petitions. Following the same, the order impugned herein is set aside and the third respondent is directed to register the sale deed presented by the petitioner, immediately when it is re-presented.

8.Accordingly, this Writ Petition stands allowed. There shall be no order as to costs. Consequently, connected miscellaneous petitions are closed.
