By consent of both sides, the Writ Petition is taken up for final disposal at the stage of admission itself.

2. Challenging the impugned notice of the second respondent dated 12.12.2024, the petitioner is before this Court.

3. After issuance of a notice under Section 7 of the Tamil Nadu Land Encroachment Act, 1905 (hereinafter referred to as 'the Act') dated 14.11.2024, calling for the petitioner's objections for the proposed action of removing the encroachment, an order under Section 6 of the Act dated 12.12.2024 has been issued.

4. As against an order of eviction passed under Section 6 of the Act, an appeal remedy is provided for under Section 10 of the Act to the District Collector.

5. What is put under challenge in the present Writ Petition is only a consequential notice, which is not an action provided under the Act for evicting the petitioner from the subject lands. The petitioner has chosen to challenge the

final orders passed under Section 6 of the Act. Even otherwise, when the Act provides for an effective appeal remedy before the District Collector against order under Section 6, it would not be appropriate to entertain the present Writ Petition, which challenges the Section 6 notice. Hence, we are of the view that an opportunity can be given to the petitioner to avail the statutory remedy and protect his possession till such time.

6. In the light of the above observations, the petitioner is granted liberty to file an appeal before the first respondent/District Collector under Section 10 of the Act within a period of one (1) week from the date of receipt of a copy of this order. Till such time, the respondents shall not take any coercive action to disturb the petitioner's possession over the subject land.

7. Accordingly, the Writ Petition stands disposed of. There shall be no order as to costs. Consequently, the connected miscellaneous petition is closed.
