HARSIMRAN SINGH SETHI, J. (ORAL)

1. In the present petition, the grievance being raised by the petitioner is that by virtue of the letter dated 13.07.2024, copy of which is annexed as Annexure P-8, the petitioner has been rusticated from the School concerned and the petitioner will suffer irreparable loss in case the said order is not set aside.

2. Notice of motion.

3. Mr. Kusum Raj, Advocate for Mr. A.D.S.Jattana, Advocate accepts notice for respondent Nos. 2 & 3, Mr. Karanvir Singh Kathuria, Advocate for U.O.I and Mr. B. S. Seemer, Advocate for respondent No.4.

4. Learned counsel for the respondents No.2 and 3 submits that the order which was passed against the petitioner was a

consequence of his own acts as has been stipulated in Letter dated 13.07.2024 (Annexure P-8). She further submits that even in the order dated 13.07.2024 (Annexure P-8) the petitioner has been given an option that he can be rusticated for whole session till 31st, March and is allowed to appear in the final examination only or he can get himself admitted in any civil school after getting transfer certificate. As of now, classes are already over and the practicals for final examination are being conducted and as per her instructions the petitioner is being allowed to appear in the final examination and he has already appeared in some of the practical examinations already.

5. Learned counsel for the respondents further submits that the petitioner will be allowed 10+2 examination without there being any impediments.

6. At this stage, learned counsel for the petitioner submits that the petitioner has not been able to study in the School and therefore he might be having some doubts qua the academic study which was imparted by the teachers of the school concerned, hence, the School may kindly be directed that in case the petitioner has any doubt qua the academic studies, which he may have as he could not attend the school due to the order of rustication from the School, and thus, his doubts be get cleared from the respective teacher.

7. Qua the said aspect, it may be noticed that it was only due to an act attributed to the petitioner, that he could not attend the classes after he was rusticated by the School authorities concerned.

Still, this Court is of the view that in case, the petitioner has any doubt

qua any academic studies, which he could not attend, same be raised before the teachers concerned and as such, the teachers will come to his help as the teachers would like to fulfil their purpose of being a teacher, that their student succeeds in life irrespective of their conduct. Hence, the School authorities are not directed but requested that in case, the petitioner makes any request for clearing of his doubt qua the academic studies before appearing in the examination, if possible, he be helped out so that he succeeds in life, rather than to repent for the mistake he committed while attending the school.

8. The present petition is disposed of accordingly.
