Vs.

Vs.

2. Learned counsel for the petitioner(s) contends that as per the allegations levelled by the complainant, the petitioners were working as agents of Reliance Jio Infocomm Limited and had issued the sim cards against the same photographs of the subscribers in different Customer Application Forms (CAFs). With regard to same incident, separate FIRs were registered against

them. He next contends that in connection with FIR No.24/2023, the petitioners remained in custody for a period of about two months and thereafter, they were granted the concession of bail by the Court of Additional Sessions Judge, Hisar. He further contends that the case is based on documentary evidence and the petitioners are ready to join the investigation.

4. On the other hand, learned State counsel has vehemently opposed the submissions made by learned counsel for the petitioner(s) on the ground that the petitioners are habitual offenders.

5. I have heard the learned counsel for the parties and perused the record carefully.

6. As per the allegations levelled by the complainant, the LSA Field Unit of Department of Telecommunication Haryana had found that the multiple names appeared against the same photograph of the subscriber in different CAFs and on finding such evidence, the mobile phones were disconnected. Moreover, the sim cards, which were allegedly issued by the petitioners were never misused, as per the admitted stand of the prosecution.

7. Thus, without commenting any further, the petition(s) are allowed and the petitioners are granted concession of anticipatory bail, subject to the conditions as provided under Sections 482 (2) of B.N.S.S. It will be open for the Investigating Officer to call the petitioners to join the investigation, if so required, by issuing a written notice in this regard and they shall abide by the conditions mentioned in Section 482 (2) of B.N.S.S.
