The allegations in nutshell are that petitioner No.1 NIIT Technology Ltd. entered into a Master Services Agreement dated 31.01.2018 with the complainant company to provide services relating to IT Operation Management, IT Services Management and Service Level Agreement Framework to the complainant company i.e. Trident Limited having registered office at Barnala. Petitioner No.2 at the relevant time was working as a Senior Server Engineer with NIIT Technologies Limited. There are allegations that after the execution of aforesaid agreement, NIIT

Technologies Limited and its employees including the petitioner No.2 committed theft of digital confidential data belonging to the complainant company. The matter was reported to the police and resultantly, impugned FIR No.3 dated 09.06.2018 was registered against the accused persons including the both the petitioners.

3. During the pendency of the present petition, parties had shown their inclination to settle the dispute in an amicable manner. On this, the matter was referred to the Mediation and Conciliation Centre of this Court. Both the parties (i.e. Trident Limited and NIIT Technologies Limited) participated in the mediation proceeding and finally, the matter was compromised and the parties executed settlement deed dated 23.12.2024. On behalf of the complainant, the said deed of settlement was signed by its authorized representative namely Raghav Ghakhar and on behalf of Coforge Limited (formally known as NIIT Technologies Limited), the deed was signed by its authorized representative Anurag Aggarwal. As per the said compromise, NIIT Technologies Limited agreed to pay amount of Rs.85 lacs to the complainant company.

4. On the last date of hearing, the counsel appearing on behalf of both the parties apprised the Court that all the terms and conditions of aforesaid settlement deed are already acted upon by the parties and even the payment of aforesaid settled amount is also made by NIIT Technologies Limited to the complainant company.

5. Today, the counsel for the parties admitted the factum of compromise and further stated that it has been also acted upon. Raghav Ghakhar, authorized representative of Trident Limited is also present today in the Court and he has submitted his affidavit wherein he has admitted that the entire settled amount has been received by the complainant company and the complainant is having no objection if FIR No.3 dated 09.06.2018, registered with Police Station Cyber Crime, SAS Nagar, challan dated 04.05.2019 and supplementary challan dated 01.10.2019, second supplementary challan dated 20.11.2022 and third supplementary challan dated 03.05.2024 and all the subsequent proceedings arising thereof are quashed qua the present petitioners and other accused persons, as the matter

has been compromised between the parties.

6. Having regard to the aforesaid facts and circumstances of the case, the prosecution of the petitioner on the basis of the FIR and supplementary challans, as are detailed above would amount to miscarriage of justice and abuse of the process of Court and that of law as well.
7.
