During the course of arguments, learned counsel for the appellants-Insurance Company in FAO-7170-2018 states that the Insurance Company had filed an appeal preferred against the award dated 17.08.2018 against the claimants. That the appeal of the insurer-respondent No.3 before the Tribunal stands settled vide judgment dated 06.05.2019 by this Hon'ble High Court with regard to the death of Komal-daughter of the claimants in the present appeal. Copy of the order in FAO-7170-2018 has been handed over and be taken on record. This appears to be a case of multiple filing of the appeal on behalf of the claimants. Therefore, we feel that as the matter stands settled by the Hon'ble High Court, the second appeal by the same set of claimants for the death of the same person-Komal is not maintainable.

Therefore, it is disposed of as infructuous.

A copy of the award be sent to the appellants so that if some issue still survives that is determined accordingly.

File be consigned to the record room.
