(Copy of F. D. Hr. No. 1/34/93-4 PR(FD) Dt. 8.2.94)

I am directed to refer to the subject noted above and to say that in the past the State Government with a view to removing stagnation of its employees of Group 'C' and 'D' categories in the matter of pay, has been providing reliefs to them in shape of making the pay scales open-ended, granting additional increments at tenth and twentieth year point in the pay scale and grant of additional increments after eight and eighteen years service in a Group. Now in furtherance of that policy, the State Government after careful consideration have decided to grant time-bound higher standard pay scales to the Haryana Government employees of group 'C' and 'D' categories in replacement of the earlier scheme of additional increments after eight and eighteen years service contained in Haryana Government Finance Department letter No. 1/138/92-1PR(FD) dated 7.8.92.

2. *With effect from First January, 1994 or thereafter, as the case may be the grant of higher standard scale will be regulated as under:-*

** As amended vide F.D.Hr. No.1/34/934-PR(FD) dt.15.12.94*

11. As per the above referred to document i.e. Higher Standard Pay Scale w.e.f. 01.01.1994, the Government employee who completes such regular satisfactory service of 20 years after 01.01.1994 but has got only one promotion or promotional scale/selection grade/higher standard scale in his service career, was allowed the first higher Standard Scale w.e.f Ist day of the month following the month in which he completes such service. Undisputedly, the respondent was already granted revised time scale of Rs.1200-2040 w.e.f. 01.5.1995 on completion of 20 years regular satisfactory service on the basis of pay scale applicable on 01.01.1986. Further the respondent filed civil suit claiming pay scale of Rs.1600-2600 as referred to in Sr. No.10 of above referred to document regrading the higher pay scale w.e.f. 01.09.1994 which is apparently misreading of the document on record.

12. A bare reading of the above referred to two documents which are on record show that the same are misread by Ld. First Appellate Court since a combined reading of both the documents show that as per letter dated 26.07.1991, the pay scale of the respondent as on 01.01.1986 was 950-1500 which was modified w.e.f 01.5.1990 to 1200-2040 meaning thereby i.e. as on 01.1.1986 the respondent was getting the pay scale of Rs.950-1500.

13. A perusal of the above referred to document dated 08.02.1994 shows that w.e.f. 01.1.1994 or thereafter, as the case may be the grant of higher standard scale will be regulated as per the enclosed Annexure attached with document dated 08.02.1994.

The first column of the enclosed Annexure shows that it is regarding the pay scale applicable from 01.1.1986 and Sr. No.5 of the same shows the pay scale of 950-1500 is applicable from 1-1-1986 corresponding to which First Higher Standard Pay Scale is 1200-2040 and Second Higher Standard Pay Scale is 1400-2600. Undisputedly, the pay scale of the respondent was 950-1500 as on 01.1.1986 which is at Sr. No.5 in the above referred annexures. Ld. First appellate Court has taken it to be as per Sr. No.10 whereby the pay scale applicable from 1.1.1986 is 1200-2040 which is totally against the service record of the respondent. Admittedly, as per the record, the pay scale of the respondent as on 1.1.1986 was 950-1500, therefore, the respondent would be entitled to the Second Higher Standard Pay Scale of Rs.1400-2600 and not 1600-2660.

14. In view of the above, the judgment and decree dated 31.03.2001 passed by Ld. First Appellate Court (Ld. Additional District Judge, Rohtak) is liable to be set aside. Therefore, the present appeal is allowed and judgment and decree dated 31.03.2001 passed by Ld. Additional District Judge, Rohtak is set aside. Both the parties are left to bear their own costs.

15. Decree sheet be drawn.

16. All the pending applications also stand disposed of.
