LPA no. 690 of 2020 on 23.05.2022 titled as “*Union of India and others versus Neeraj Mor*” wherein it was held that there is no medical record to show that a man who have single testicle is medically unfit or cannot discharge the duties as a Naval man. He submits that even though on account of introduction of Agni Veer Scheme, the claim of the petitioner has been rendered infructuous, however, the only grievance which survives is that the aforesaid order might stand in the way of future employment of the petitioner.

Considering the Division Bench Judgment as also the plea made by the petitioner herein, the present writ petition is disposed of is having been rendered infructuous at this stage. It is made clear that the said medical certificate issued shall, however, not be a disqualification for consideration of the petitioner in any further employment.

All the pending miscellaneous application(s), if any, are also disposed of.
