For the reasons mentioned therein, the application seeking condonation of delay in filing the appeal is allowed and the delay in filing the appeal is condoned.

RSA-2104-2025

1. The defendant-appellants are in the present Regular Second Appeal, challenging the judgment and decree passed by the First Appellate Court whereby the appeal filed by the plaintiff-respondent was partly allowed.

2. At the outset, learned counsel for the defendant-appellants has submitted that the question of law involved in the present appeal as to whether jurisdiction of the Civil Court is barred in view of Section 145 of the Electricity Act, 2003, has since been decided by the Hon'ble Division Bench of this Court in **RSA-4181-2016** titled as “**Mahesh Kumar Versus Sub Divisional Officer & Anr.**” vide judgment dated 14.05.2025.

3. None has put in appearance on behalf of the plaintiff-respondent despite service.

4. In view thereof, the present appeal is allowed, and the suit filed by the plaintiff-respondent stands dismissed on the ground of jurisdiction. However, the plaintiff-respondent would have the liberty to avail the remedies as available in law.

5. It is made clear that any evidence recorded/observations made in the impugned judgments and decrees would not operate as *res judicata* in any subsequent proceedings initiated by the plaintiff-respondent. Pending applications, if any, also stand disposed off.
