KULDEEP TIWARI, J.(ORAL)

1. The transfer order from way back in 2014 has been challenged by filing the instant petition. This matter is pending since 2015, after issuance of notice of motion. The perusal of the interim order reflects that no interim stay on the transfer has been granted. Learned counsel for the petitioners submitted that the some of the petitioners have now retired, and for the others, he has not received any instructions with regard to the present status of their posting.

2. The transfer order may have been effective till date, or the cause of action may not have survived. Some of the petitioners have since retired. Counsel for the petitioners submits that he has no instructions as to whether, the transfer order has been implemented or not. No one has come forward to
