KULDEEP TIWARI, J.(ORAL)

1. Through the instant petition, a prayer is made for issuance of a writ in the nature of certiorari, seeking setting aside the impugned order dated 17.05.2018 (Annexure P-2), passed by the Sub-Registrar, Pehowa.
2. At the very outset, learned counsel for the petitioner fairly admits that the petitioner without availing the remedy under Section 72 of the Registration Act, 1908, has approached this Court, by filing the instant petition. Therefore, he submits that the petitioner would be satisfied, if he is relegated to the authorities concerned, for the relief, as sought in the instant writ petition. Learned counsel for the petitioner has further made a prayer that the delay, which has occurred in approaching the wrong forum, for the relief sought, may also be ordered to be condoned.

4. Considering the fact that the impugned order can be assailed, by filing a statutory appeal, therefore, this Court deems it appropriate to relegate the present petitioner to the authorities concerned, for the relief, as sought in the instant writ petition.

5. In case, the petitioner file an application for condonation of delay, the same shall be considered sympathetically, considering the fact that the petitioner has filed the instant writ petition way back, in the year 2018, before this Court.
