1. Present writ petition has been filed under Articles 226 and 227 of the Constitution of India, seeking issuance of a writ in the nature of Mandamus, directing the official respondents to protect the life and personal liberty of the petitioners by providing adequate police protection/security. It is further prayed that respondents No. 4 to 7 be restrained from interfering in the personal life and liberty of the petitioners.

2. It appears that the dispute in the present case primarily pertains to the use and access of an 11-feet wide path through Killa No. 148, as mentioned in the sale deeds dated 12.06.2019, executed in favour of petitioner Nos. 1 and 2. The petitioners have already filed a civil suit for permanent injunction against respondent Nos. 4 to 6, bearing Civil Suit No. CS/760/2020, in which the learned Additional Civil Judge, Sangrur, vide order dated 26.10.2020, has granted status quo with respect to the path in question. In addition, the petitioners have approached the

police authorities through multiple representations, seeking implementation of the status quo order and protection to access their agricultural land.

3. Having considered the nature of the relief sought, it is evident that the dispute is essentially civil in nature, revolving around property rights and access through a disputed path. Therefore, this Court is not inclined to exercise its extraordinary writ jurisdiction under Articles 226/227 of the Constitution of India. Accordingly, the present writ petition is dismissed,
