CORAM: HON'BLE MR. JUSTICE SUVIR SEHGAL

1. During the course of hearing of the petition, it has transpired that the petitioner has filed a civil suit against Tania, who claims to be his daughter, challenging registered adoption deed dated 17.01.2018. However, perusal of the pleadings of the writ petition show that this fact has been suppressed from this Court.
2. When confronted with these facts, counsel for the petitioner seeks and is granted permission to withdraw the writ petition.
3. Dismissed as withdrawn.
