1. Application is allowed, as prayed for.
2. Annexures P-45 and P-46 are taken on record.

Main case.

3. Learned senior counsel for the petitioner has contended that the impugned notice, Annexure P-42, which has been issued by the respondents in implementation of the judgment passed by this Court, is not determinative of the procedure prescribed under the Memorandum of Agreement (MOA) between the parties. He urges that as the prescribed procedure has been breached, impugned show cause notice, Annexure P-44, cannot be sustained.

4. After having addressed for some time, learned senior counsel states that petitioner has not submitted reply to the impugned show cause notice. He seeks and is granted permission to withdraw the writ petition to submit response to Annexure P-44, by raising all the objections including that of violation of the procedure, as prescribed in the MOA and requests for extension of time.
5. Dismissed as withdrawn with aforesaid liberty. However, time period for responding to the impugned show cause notice is extended till 05.08.2025.
