SHEEL NAGU, C.J. (Oral)

1. Petitioner has assailed the letter/order (Annexure P-2) by which the Regional Office, Gurugram, Haryana State Pollution Control Board, has directed for disconnection of electric supply in the unit of the petitioner, which manufactures ready-mix concrete.
2. The impugned letter/order indicates that show cause notices were issued to the unit of the petitioner, but no response came forth and,

therefore, on temporary basis, the electric supply stands disconnected.

3. Though this Court was of the considered opinion that the matter can be agitated before an appellate forum provided under the Air (Prevention and Control of Pollution) Act, 1981 and the Water (Prevention and Control of Pollution) Act, 1974, learned counsel for the petitioner has contended violation of principles of natural justice by stating that none of the show cause notices were served.

4. Learned counsel for respondents No.2 and 3-Haryana State Pollution Control Board, on advance notice has drawn our attention to an Inspection Report dated 29.06.2025, which is appended with the signatures of the representatives of the petitioner-unit, who may have been present at the spot.

5. Even postal receipt has been annexed showing that the said show cause notices were dispatched on 02.07.2025. The said Inspection Report and postal receipt are taken on record as Annexures 'X' and 'Y' respectively.

6. Certain photographs have also been relied upon by learned counsel for the Board reflecting that effluents are being discharged by the unit and, therefore, emergent action of disconnection of electric supply became imminent.

7. Be that as it may, since the petitioner has raised the ground of violation of principles of natural justice, and since the matter has to be finally decided by the Regional Office, Gurugram, Haryana State Pollution

Control Board, this Court, without commenting on the merits, disposes of this petition with liberty to the petitioner to file a detailed reply along with all relevant documents, which if done within a period of one week, the same shall be decided within ten days of its filing by the competent authority by passing a speaking order, which the petitioner shall be free to assail by availing statutory remedies in law.

8. Disposed of.
