**CORAM:- HON'BLE MR. JUSTICE ASHWANI KUMAR MISHRA
HON'BLE MR. JUSTICE ROHIT KAPOOR**

Present: Mr. Sajjan Singh, Advocate and
Mr. Sandeep Kumar, Advocate
for the petitioner.

Mr. Pankaj Middha, Addl., AG, Haryana.

Ms. Shalini Atri, Senior Panel Counsel
for respondent No.4-UOI.

ASHWANI KUMAR MISHRA, J. (ORAL)

1. The present writ petition has been filed with a prayer to command the respondents to hold an inspection of the petitioner for grant of recognition for establishing a Veterinary Science and Animal Husbandry College.

2. It appears that when the application was filed, the respondents were of the view that same parcel of land is being utilized for establishing two different Colleges.

3. On the previous occasion, affidavits were invited in the matter.

4. The order passed by this Court on 01.10.2025, in this regard, is reproduced:-

“The petitioner before this Court intends to establish a college for imparting education in Bachelor of Veterinary Science and Animal Husbandry. A No Objection Certificate has already been issued to the petitioner. Certain issues have been raised with regard to availability of requisite land with the petitioner for the establishment of the college. A policy decision dated 05.09.2019 already exists to regulate the permission for the establishment of such college. On previous occasions, the matter was deferred only because of an issue raised by the respondents, as per which the availability of land was found wanting.

Having heard counsel for the parties, we find that since the No Objection Certificate has already been issued to the petitioner by the State, which has not been recalled, it would be appropriate to direct the state authorities to conduct an inspection so as to consider the application of the petitioner for grant of permission. The respondents shall constitute an appropriate Committee, which shall submit its report on all relevant aspects, including the aspect relating to availability of land with the petitioner, within a period of three weeks.

List on 03.11.2025.

It shall also be open for the petitioner to make a request to the Veterinary Council for appropriate inspection.”

5. Pursuant to the orders passed in the matter, an affidavit has been filed on behalf of respondent No.1 clearly accepting that the apprehension of the respondents that same set of land is being utilized for establishing of two different colleges is not correct. Separate parcel of land is dedicated for establishment of the college and therefore there is no hindrance in processing of the petitioner's claim for grant of

recognition.

6. In that view of the matter, we find that there is no other hindrance pointed out as such, we direct the State to pass appropriate orders on the petitioner’s pending application for grant of recognition preferably within a period of four weeks. Based upon such order, the University shall do the needful without further loss of time.

7. With the aforesaid observations, the present writ petition is disposed of.

8. Petitioner’s previous rejection, on account of the reasons noticed above, would not be a hindrance in fresh consideration of petitioner’s claim by the Veterinary Council of India.

9. Pending application(s), if any, stand(s) disposed of.
