CORAM: HON'BLE MR. JUSTICE VIRINDER AGGARWAL

Present:- Mr. Preet Harinder Singh Pannu, Advocate,
for the petitioner.

VIRINDER AGGARWAL, J. (Oral)

1. This revision petition under Article 227 of the Constitution of India has been directed against the order dated 08.05.2025, vide which, the application for leading additional evidence with regard to examination of two medical officers to prove the post mortem report has been declined by learned Motor Accidents Claims Tribunal (for short "learned Tribunal").

2. In the impugned order, the learned Tribunal has recorded that post mortem report is already exhibited there as Ext. PW6/S but learned counsel for the petitioner submitted that the final opinion with regard to cause of death was kept pending at the time of initial post mortem examination for want of report of Histopathology and vide this application, petitioner wants to place on record the complete and final report with regard to cause of death by examining two medical officers to prove the post mortem report. Examining two medical officers to prove the post mortem report with regard to cause of death is not necessary in proceedings before the learned Tribunal as the learned Tribunal can

devise its own procedure and strict principles of Evidence Act, 1872 are not applicable in proceedings before the Tribunal.

3. In view of the above, the impugned order dated 08.05.2025 is modified and the petitioner is granted an opportunity to place on record complete report with regard to cause of death, subject to the deposit of cost of Rs.1,000/- in the account of DLSA, Bhiwani, and the petition is disposed of accordingly.
