JASGURPREET SINGH PURI, J. (Oral)

1. The present is a second petition filed under Section 29A (4) of the Arbitration and Conciliation Act, 1996, seeking extension of the mandate of the learned Arbitral Tribunal.

2. Learned counsels for the parties have jointly submitted that after the expiry of one year, the time for passing the award was further extended for a period of six months with the consent of the learned counsels for the parties and subsequently, on an application filed by the petitioner for extension, the time was further extended for a period of six months by this Court. They further submitted that the arguments on behalf of both parties have now been concluded and the learned Arbitral Tribunal has reserved the award on 07.07.2025 and a request has been made for a further extension of three months to enable the learned Arbitral Tribunal to pronounce the award.

3. Learned counsels for the parties have also referred to the various orders passed by the learned Arbitral Tribunal.
4. Considering the aforesaid facts and circumstances and in view of the fact that the arguments on behalf of both the parties have now been concluded before the learned Arbitral Tribunal and the award has been reserved, this Court deems it fit and proper to grant a further extension of three months to the learned Arbitral Tribunal for pronouncement of the award.
5. Consequently, the present petition is allowed. The mandate of the learned Arbitral Tribunal is hereby extended for a further period of three months with effect from 30.08.2025.
