ASHWANI KUMAR MISHRA, J. (ORAL)

1. Petitioner is an Educational Institute which has admitted certain students belonging to deprived sections and as per the Scheme of the State of Punjab, it is entitle to reimbursement of scholarship.

2. The Concessionaire Agreement has also been executed between the parties. According to petitioner, the State is liable to pay certain amount to it towards reimbursement but instead of releasing such amount, the State has now issued directions to recover certain amount from it.

3. The recovery notice(s) are of the year 2020-2021. The petitioner submits that it had no knowledge of these Certificates and that it has come to its notice only recently when it was circulated on the WhatsApp Group. The petitioner claims to have submitted an exhaustive representation objecting to the recovery proceedings initiated by the State.

4. Grievance is that without considering the petitioner's representation and without adverting to various audit reports which are in favour of the petitioner, the State is pressing the recovery.

5. Learned State counsel, who appears on advance notice contends that the representation of the petitioner shall be dealt with by passing a reasoned order.

6. In that view of the matter, without calling for further affidavits in the matter, we deem it appropriate to dispose of this petition with a direction upon respondent No.3-Director, Social Justice, Empowerment and Minorities, Punjab, Phase-I, S.A.S., Nagar, Mohali to consider the representation of the petitioner in response to the impugned recovery Certificates and pass an appropriate reasoned order in the matter before proceeding any further against the petitioner. Such a decision shall be taken within a period of two months from the date of receipt of certified copy of this order.

7. Needless to mention that if upon consideration the said representation, in case any amount is found due and payable to the petitioner, the same shall be disbursed in favour of the petitioner within a further period of two months.
