SHEEL NAGU, C.J. (ORAL)

1. The grievance of the petitioner is that close to the place of his residence, respondent No. 4 has established a concrete and tar-coal mixing plant which is causing air pollution.
2. Considering the fact that the cause raised herein lies within the exclusive domain of the National Green Tribunal (since the cause pertains to air pollution under the Air (Prevention and Control of Pollution) Act, 1981), this Court declines interference on merits and relegates the petitioner to avail the remedy under the Air Act, 1981 before the National Green Tribunal.
3. The petition stands disposed of with the aforesaid liberty.
