ASHWANI KUMAR MISHRA, J. (ORAL)

1. Grievance of the petitioner is with regard to non-consideration of his candidature for admission to MBBS Post Graduate (PG) Course by the respondent-University in NRI Category. It is urged that without any justifiable cause, the respondent-University is not facilitating consideration of petitioner's claim though the petitioner has appeared in terms of the Prospectus to apply.

2. The writ petition was entertained and instructions were invited from the respondents.

3. Learned counsel for the respondent-University submits that the process of admission to PG Course has not yet begun and therefore the writ petition is premature. Written instructions of the University has also been produced before the Court, which are taken on record. Copy of the same has also been furnished to the opposite side(s).

4. As per the instructions, the candidate seeking admission in the NRI quota has to apply online and that the candidature of the concerned candidate would then be accorded consideration in terms of

the Prospectus.

5. Though, learned counsel for the parties are at variance with regard to requirement of candidate's personal appearance and applying physically or in the online form, but in view of the fact that the process of admission has not yet commenced, we are of the view that ends of justice would be met if the petitioner is permitted to apply online, in terms of the stand taken by the respondents *vide* instructions which are taken on record.

6. Learned Senior counsel for the petitioner states that the petitioner shall apply online within 24 hours.

7. If the petitioner applies online in terms of the instructions furnished before the Court today, it goes without saying that the respondent-University shall accord consideration to such claim of the petitioner in accordance with the applicable Prospectus/Policy. We also record the specific statement of the counsel for the respondent(s)-University that only after online application is made by the petitioner that his request for issuance of Eligibility Certificate would be considered.

8. In view of the above, the instant writ petition, along with pending miscellaneous applications, if any, stand disposed of.
