Briefly the claim of the petitioners in the present petitions

CWP-32519-2024 (O&M) and 02 other connected cases

emanates from the denial of the arrears of over time allowance to the petitioners, who claimed that similar benefits had been granted to the similarly placed persons and the same has also been upheld vide order dated 23.04.2024 passed in LPA-1582-2023.

Learned counsel appearing on behalf of the petitioners contends that during the pendency of the petition(s), certain developments have taken place in as much as the respondent-Department has approved of payment of difference of over time allowance on the basis of retrospective revision of salary of all Drivers and Conductors vide memo No.1630-54/T-15 dated 01.04.2025. She contends that the respondents have not extended the said benefit to the petitioners owing to the pendency of the instant writ petition(s) and that she has instructions not to press the same, in case a time bound direction is issued to the respondent-authorities to re-consider the claim of the petitioner(s) for revision of the over time allowance on the basis of the retrospective revision of salary of all Drivers/Conductors in light of the subsequent developments.

Learned State counsel has no objection to the same.

Consequently, the writ petitions are **disposed of** with the consent of the parties. Respondent-authorities are directed to re-consider the claim of the petitioners for seeking revision and release of the difference of over time allowance to the petitioners on the basis of retrospective revision of salary of all the Drivers and Conductors as per prevailing instructions and in a time bound manner and in any case within a period of 03 months of receipt of a certified copy of this order.

270 CWP-32519-2024 (O&M) and 02 other connected cases
