1. This is a petition under Section 29A (4) & (5) of the Arbitration & Conciliation Act seeking extension of the mandate of the Arbitral Tribunal to conclude the arbitration proceedings and pass arbitration award.
2. Material on record indicates that the parties entered into a contract dated 05.03.2010. It is stated that disputes arose between the parties and a Sole Arbitrator was appointed by this Court *vide* Order dated 27.09.2022 in OMP (T) (COMM) 1/2019.
3. It is stated that the mandate of the Arbitrator has been extended from time to time and the last of the extension was for a period of nine months from 26.06.2023. It is stated that the mandate of the Arbitrator has come to an end on 26.03.2024. It is stated that since the Petitioner was undergoing

proceedings under the Insolvency and Bankruptcy Code, the proceedings before the Arbitrator has got delayed. It is stated that the parties are still at the stage where issues have been framed and the Petitioner has to lead evidence.

4. Considering the facts of this case, this Court is inclined to extend the mandate of the Arbitral Tribunal upto 31.12.2025 so that the proceedings can be concluded and no further extension of time would be required by the Tribunal.

5. The petition is disposed of along with pending application(s), if any.
