ORDER

1. The present appeal under Section 19 of the Family Courts Act, 1984 seeks to assail the order dated 23.12.2024 passed by the learned Family Court, Shahdara District, Karkardooma Courts, Delhi in G.P. No. 32/2022. Vide the impugned order, the learned Family Court has disposed of the appellant's application for seeking custody of the minor child during the winter vacations of her school between 30.12.2024 to 06.01.2025.
2. Learned counsel for the appellant submits that while granting limited visitation rights to the appellant during the winter vacations, the learned Family Court did not allow his prayer for permitting the

grandparents to meet the child.

3. After some arguments, learned counsel for the appellant submits that since the winter vacations are already over, he will, instead of pressing the present appeal, approach the learned Family Court by way of an appropriate application to getting permission for his parents to meet the minor child. He, however, prays that the learned Family Court may be directed to consider the said application expeditiously as per law.
4. In the light of the aforesaid, the appeal is alongwith the accompanying applications dismissed as not pressed with liberty to the appellant to move an appropriate application before the learned Family Court seeking permission for the parents of the appellant to meet the minor child subject to conditions as may be imposed by the learned Family Court. Further, we request the learned Family Court to expeditiously decide any such application made by the appellant by keeping in mind that wherever possible, the grandparents of the minor child should also be granted an opportunity to meet the child.
