He has been hospitalized for a prolonged period in the post-operative ward as the postoperative wound got infected for which debridement was done again 14.08.2024 at Dr. BSA Hospital. He was prescribed medication and has been advised to use a walker for mobility. He has also been advised to use a soft mattress by the treating surgeon at Dr. BSA Hospital. He was sent to MAIDS Hospital on 05.01.2025 for root canal treatment; wherein, he was seen by the treating dentist and his next appointment date was given for 03.02.2025. He has been scheduled for the same.
