24.03.2019, according to Sikh Rites and Ceremonies. It is stated that due to temperamental differences between the son of petitioner and respondent no. 2, petitioner executed a Deed of Disownment dated 31.10.2023 and thereafter *vide* Public Notice dated 19.06.2024 in “Dainik Jagran” and “The Pioneer” disowned his son Mr. Gurleen Singh. The petitioner also issued a legal notice to his son and respondent No.2 to peacefully vacate and handover the second floor of his house and also filed a formal intimation to the Police *vide* DD No.102A stating that respondent No.2 has threatened him and his wife of filing false criminal cases. The petitioner’s son later on his own vacated the second floor of the Petitioner’s house. Later respondent No.2 returned with heavy police force and tried to enter into the petitioner’s house with the help of the police. With the intervention of the family and friends, both the parties have now amicably settled the matter. Petitioner’s son and respondent No.2 entered into a Settlement Agreement dated 15.01.2025 to bring a quietus to the ongoing litigations originating out of matrimonial discord.

5. On a query made by this Court, respondent no. 2 who has been identified by the IO concerned, has categorically stated that he has entered into compromise out of his own free will and without any pressure, coercion or threat. Therefore, he has no objection if the present FIR is quashed. The statement of the parties to the said effect had been recorded by the learned Joint Registrar (Judicial) on 15.04.2025.

6. In view of the above fact that the parties have amicably resolved their differences of their own free will, and without any coercion, no useful purpose will be served by continuing the proceedings, rather the same would create further acrimony between them. It would thus be in interest of justice
