[Physical Hearing/Hybrid Hearing (as per request)]

1. The matter has been listed on office note, pointing out that in the oral judgment pronounced and uploaded yesterday itself, QR Code of the year 2024 has been affixed due to inadvertence instead of QR Code of the year 2025. Since the judgment was pronounced in the open court yesterday itself and the same was digitally signed yesterday itself, it appears to be only a clerical error, whereby the QR Code of 2024 has been affixed on the judgment.
2. Appropriate changes in the QR Code of the uploaded judgment be carried out.
