advertisement in which it was clearly mentioned that the 10,285 vacancies are tentative, which may be decreased or increased depending upon the actual requirement at the time of final enrolment.

8. *Prima facie, from the facts as narrated in the aforesaid counter-affidavit there is nothing amiss in the manner in which the selection process has been carried out. However, the grievance of the petitioners is that the reasons for non-selection of candidates have not been communicated to the unsuccessful candidates. It is submitted that the respondents ought to have disclosed the basis for non-selection of unsuccessful candidates. viz. whether the same was on account of non-submission of document/s and /or on account of their rank in the merit list being below the cut off point, or any other reason as may be applicable.*

9. *After some hearing, learned counsel for the respondents submits that the manner in which the selection process has been carried out, as disclosed in the counter-affidavit, and also the specific reason/s for non-selection of each of the unsuccessful candidates, shall be set out in the website of the respondent i.e. <https://dghgenrollment.in>.
