J U D G M E N T

NEENA BANSAL KRISHNA, J.

1. Petition filed under Section 482 of Criminal Procedure Code, 1973 (*hereinafter referred to as "Cr.P.C."*) for quashing of the Criminal Complaint bearing No. CC. No. 17166/2018 for offences under Sections 138 and 141 of Negotiable Instruments Act, 1881 (*hereinafter referred to as "N.I. Act"*) and Summoning Order dated 04.10.2018 *vide* which the Petitioner being the Director of the Company, was summoned.
2. ***Briefly stated***, the Complainant Company, i.e. Respondent No. 1, namely *Religare Finvest Ltd.* deals in the business of providing loan and finance to business entities and individuals.

3. The accused Company, *Best Health Management Pvt. Ltd.* is in the business of manufacturing and sale of other chemical products and health products. Mr. Deepak Poswal, Accused No. 2, and Mr. Pramod Kumar Ahuja, Accused No. 3 (Petitioner *in the present matter*), were directors in the accused Company (“*directors*”). Accused Nos. 4 and 5, namely Mr. Sanjay Gupta and Mr. Pankaj G. Sachdeva respectively, were Authorised Signatories in the accused Company.

4. The Complainant Company submits that the Directors and the authorised signatories, i.e. Accused No. 4 and 5 were looking after and managing the day to day affairs and business of the accused company, and were the persons in charge of and responsible for the conduct and business of the accused company. As per the Complainant Company, the accused Company is an alter ego of the directors, i.e. Accused No 2 and 3, including the Petitioner.

5. **It is the case of the Complainant Company** that the accused Company had approached the Complainant company through its directors for taking a **loan of Rs. 40,00,00,000/-** against mortgage of property which was sanctioned in favour of the accused company *vide* Sanction Letter dated 23.03.2016, against creation of security on the property mentioned in the Sanction Letter. The loan was to be repaid at the end of the term of 24 months and the interest was to be paid at the end of each quarter throughout the term of the loan.

6. The accused company had executed various documents including a Facility Agreement dated 23.03.2016 to avail the loan, which was disbursed to the accused Company on the said date.

7. It is the case of the Complainant company that towards the repayment of the principal and interest, the Directors had handed over three cheques on behalf of the accused company to the Complainant Company as under:

- (i) *Cheque No. 279543 dated 10.04.2018 for an amount of Rs. 1,32,00,000/-;*
- (ii) *Cheque No. 279542 dated 16.07.2018 for an amount of Rs. 40,00,00,000/-; and*
- (iii) *Cheque No. 279544 dated 16.07.2018 for an amount of Rs. 12,00,000/-.*

8. The said Cheques were signed by the authorised signatories, i.e. Accused No. 4 and 5 on behalf of the accused company, allegedly with the consent and connivance of the other accused persons in discharge of part of the liability of the accused company.

9. Upon the maturity of the said loan, the aforesaid Cheques were presented by the Complainant Company at Axis Bank at Gurugram, Haryana for crediting in the account of the Complainant Company maintained with a branch of Axis Bank at Karol Bagh, New Delhi, however, the same were returned dishonoured on account of “**Account Frozen**”. The **Cheque bearing No. 279543 dated 10.04.2018 was dishonoured vide Return Memo dated 10.07.2018** in respect of which information was received by the Complainant company on 11.07.2018. The **Cheque bearing No. 279542 and Cheque No. 279544 dated 16.07.2018 were dishonoured vide Return Memos dated 19.07.2018** and the Complainant could not get the payment of the aforesaid Cheques.

10. It is the case of the Complainant that the accused Company, in discharge of the obligations and with prior approval from the directors, who

independently and jointly with the consent, connivance and knowledge of each other, issued the cheques signed by Accused No. 4 and 5, in favour of the Complainant for repayment of the loan amount and interest. Further, the accused persons were aware of the debt and liability assumed thereunder in relation to the same. The Complainant company submits that the Cheques aggregating Rs. 41,44,00,000/- is a debt due and payable by all the accused persons, to the Complainant.

11. Upon receiving the said Cheques as dishonoured, the Complainant issued a **Legal Notice dated 09.08.2018** to all the accused persons, i.e. the accused Company, the Directors and the authorised signatories, seeking the payment of the amount of the said Cheques, i.e. a sum of Rs. 41,44,00,000/- within 15 days of the receipt of the notice. The Notice was duly served on 10.08.2018 at the registered office of the accused Company, as per tracking report obtained from the website of Indian Post Department. However, despite the service of the Notice, the accused persons neither replied to the said Notice nor made any payment towards the aforesaid Cheques.

12. Respondent instituted a **Complaint under Section 138 of the N.I. Act on 22.09.2018** against the accused Company. The Petitioner herein was summoned in his capacity as a director of the said Company, *vide* Summoning Order dated 04.10.2018.

13. The Petitioner, Pramod Kumar submits that he had been summoned even though **he was a Non-Executive Director** in the accused Company. Complainant Company has sought to attach a liability on the Petitioner, who was a *Non-Executive Director*, by asserting that the dishonoured cheques were handed over by him, which averment is contrary to its own documents. Further, for the sake of argument, even if it is assumed that a director has

handed over the cheques, the same is not sufficient to hold him liable for the offence under Section 141 N.I. Act.

14. Furthermore, neither the Cheques nor any of the documents pertaining to the said transaction, have been signed by him, and he cannot be held liable for any act or offence of the accused company. Further, in the entire complaint, there was no averment that the Petitioner was responsible for and in charge of the affairs of the company “*at the time when the offence was committed*”. The law is settled that in the absence of such an averment, the Complaint is liable to be quashed.

15. Further, as per Section 149 Companies Act, 2013 the Petitioner being a Non-Executive Director, can only be held liable for offences knowledge of which is attributable to him through Board process and not otherwise. The Complainant Company has not attributed such knowledge to the Petitioner through Board processes, therefore making the Complaint against the Petitioner, liable to be quashed.

16. It is further submitted that the law is well settled that in order to make a director vicariously liable under Section 141 of the N.I. Act, the Complainant must state as to *how and in what manner* the said Director is responsible for functioning of the accused Company. In the entire complaint, no averment has been made to show as to how and in what manner, the Petitioner was responsible for the functioning of the Company.

17. Further, the exact details elaborating the exact role of the person to be summoned as an accused, are required to be filled in the Information Sheet filed with the Complaint, in order to make a person vicariously liable under Section 141 of the N.I. Act. However, the Information Sheet merely contains the bald allegation that the Petitioner was responsible for the day to day

function of the Company. The said Information Sheet contains no allegation regarding the exact role played by the Petitioner.

18. The bald averments made in the complaint do not satisfy the legal requirements to summon the Petitioner under Section 141 of the N.I. Act, even if the allegations in entirety, were accepted to be correct. In the absence of such averments, the complaint is liable to be quashed.

19. It is submitted that a perusal of the averments made in the Complaint and documents filed therein, establishes that the Petitioner had no involvement in the functioning of the company, and all the documents and cheques were signed by the co-accused, and not the Petitioner.

20. Further, the Complainant company has not approached this Court with clean hands, having lodged *FIR No. 50/2019 at PS EOW under Sections 420 and 406 of the Indian Penal Code, 1860* alleging that the promoters of the Complainant Company have misappropriated the money of the Complainant Company by creating and extending loans to such sham Companies and subsequently re-routing the money to the Companies controlled by the promoters themselves.

21. During the course of the investigation, the present transaction was also investigated. It was found that the loan extended by the Complainant Company to the accused Company on 23.03.2016, was rerouted to another company, namely ANR Securities, on the same day. Further, on the very same day, it was transferred from ANR Securities to RHC Holding, which was controlled by the promoters.

22. The investigation further revealed that all the Directors in the said companies to which the loans were extended, including the Petitioner, were not aware of the entire financial irregularities and were only acting as

Directors as they were personally know to the promoters. The Directors of the Companies, including the Petitioner, have been arrayed as witnesses by the EOW after complete investigation into the aforementioned FIR, whereas only *the promoters of the Complainant Company, have been made accused for the financial transactions (which included the present transaction).* The promoters of the Complainant Company are presently in judicial custody. The Petitioner was also investigated by the EOW and no allegation of being involved in the said transaction has been attributed to him, nor has he been accused or chargesheeted.

23. The ***Respondent has filed Brief Common Submissions*** on behalf of Complainant and submitted that there is no denial of the ingredients of offences committed under Sections 138-143 NI Act. It is submitted that the limited scope of the Petition is in relation to the Petitioner's joint and vicarious liability under Section 141 NI Act, that there are no particulars given in the Complaint about the Petitioner's role.

24. Reliance is placed on A.C. Narayanan v. State of Maharashtra, (2014) 11 SCC 790 wherein it has been observed that the inquiry under Section 482 Cr.P.C. is limited to the averments in the Complaint, Affidavit and the contents of documents, and the High Court may not look at any other document or the facts on merits of any defence. Further, in HMT Watches Ltd. v. M.A. Abida, (2015) 11 SCC 776 and Savithri Radhakrishnan v. State of A.P. and Anr 2017 SCC OnLine Hyd 716 it has been held that the High Court may not go into factual matters that are not admitted or make in depth enquiry on a question of fact which can be determined only after full-fledged trial. The parties to a Complaint are at liberty to establish their

individual stand during trial and the trial courts shall decide the cases on merits.

25. Reliance is placed on Gunmala Sales Pvt. Ltd. vs. Anu Mehta, 2015 1 SCC 103 to state that a Petition under Section 482 Cr.P.C. to be allowed must show incontrovertible material or acceptable circumstances to establish that trial would be an abuse of the process of court. A complaint may not be quashed merely on the ground of basic averments, because ordinarily the basic averments would be sufficient to send the accused to trial.

26. It is submitted that the averments in the Complaint, affidavit of evidence and documents have been found by the magistrate to warrant issuance of process to *inter-alia* the Petitioner.

27. The role and acts of the Petitioner whether as a Director or otherwise, have been specified in the Complaint. It has been stated that the Petitioner looked after the day-to-day affairs of the accused Company. The Petitioner was in charge of, and was responsible to the accused Company for the conduct of the business of the accused Company, responsible for the conduct and business of the accused Company at the relevant time. Further, the cheques had been issued with the prior approval of the Petitioner, and the accused Company is an alter ego of the Petitioner. Further, the loan representing the debt sought to be discharged by the cheques in issue was requested by the Petitioner on behalf of the accused Company. It has been stated that the Security was offered as collateral for the said loan by the Petitioner and the cheques were issued by the other accused person with the consent, connivance and knowledge of the Petitioner. It is stated that the cheques were handed over by the Petitioner on behalf of the accused Company.

28. Thus, in all the aforesaid instances, the Complaint has categorically averred the role of the Petitioner, the relevant time and given all the available particulars required for establishing offence under Section 138 N.I. Act.

29. It is submitted that the deemed liability under Section 141 (1) and 141(2) N.I. Act is distinct but can cover the same person in given facts and circumstances. In the present case, the Petitioner is arrayed as accused in the Complaint both as director/ officer who consented and connived for purposes of Section 141(2) N.I. Act but also is a person (other than a director/ officer for any period that the allegedly was not director) who oversaw the affairs of and responsible to the accused Company in terms of Section 141(1) N.I. Act. The averments and loan documents with the Complaint show that to secure the loans, various other security documents were issued by the accused Company which would be with the consent or connivance of the Petitioner as director.

30. Furthermore, the *deemed liability* under Section 141(2) arises based on consent and connivance of “*any director, manager, secretary or other officer of the company*”. Section 141 N.I. Act only recognises these designations and no other classification, such as an independent director, executive or non-executive director etc., is either stipulated or distinguished by the Act for affixing liability. The Petitioner has been specifically averred in the Complaint as the alter ego of the Accused Company and falls squarely within the scope of an “officer” who is deemed liable under Section 141 N.I. Act.

31. It is submitted that the Companies Act, 2013 does not make any such distinction in the definition of *director* in Section 2(34) Companies Act,

2013. Section 149(12) of the Companies Act, 2013 also identifies only two categories of directors, namely independent director and ‘a non-executive director not being promoter or key managerial personnel’. It is not the case of the Petitioner that he was an independent director nor that he was ‘non-executive director not being promoter or key managerial personnel’.

32. Moreover, the reliance by Petitioner on the EOW Chargesheet is untenable as it is not part of the Complaint and cannot be relied upon in the present proceedings.

Submissions Heard and Record Perused.

33. The Petitioner in the aforesaid Petition has been summoned for Offence under Section 138 read with 141 N.I. Act. The Petitioner seeks quashing of the Complaint Case *qua* him, in view of his designation in the Accused Company i.e. as a *Non-executive Director* and thus, not being in control of the day-to-day affairs of the Accused Company.

Liability of Directors:

34. To appreciate the contention of the Petitioner, the first aspect to assess is *under what circumstances would the director a Company be liable under the N.I. Act*. Herein, it would be pertinent to reproduce Section 141 N.I. Act, which reads as under:

“141. Offences by companies.—

(1) If the person committing an offence under section 138 is a company, every person who, at the time the offence was committed, was in charge of, and was responsible to, the company for the conduct of the business of the company, as well as the company, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly:

Provided that nothing contained in this sub-section shall render any person liable to punishment if he proves that the offence was committed without his knowledge, or that he had exercised all due diligence to prevent the commission of such offence:

[Provided further that where a person is nominated as a Director of a company by virtue of his holding any office or employment in the Central Government or State Government or a financial corporation owned or controlled by the Central Government or the State Government, as the case may be, he shall not be liable for prosecution under this Chapter.]

(2) Notwithstanding anything contained in sub-section (1), where any offence under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance of, or is attributable to, any neglect on the part of, any director, manager, secretary or other officer of the company, such director, manager, secretary or other officer shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

Explanation.—For the purposes of this section, —

(a) “company” means any body corporate and includes a firm or other association of individuals; and

(b) “director”, in relation to a firm, means a partner in the firm.”

35. Section 141 of N.I. Act read with its Explanation, provides that when an offence is committed by a Company or a Firm, every member who is ***responsible and in charge of the affairs*** of the Company/Firm, is guilty of the offence committed under Section 138 of NI Act.

36. It is a penal provision creating vicarious liability which must be strictly construed. Mere bald cursory statement in a Complaint that the Director (arrayed as an accused) is *in charge of and responsible to the company for the conduct of the business of the Company* without anything more as to the role of the Director, is not sufficient. The Complaint should spell out as *to how and in what manner*, the Director was in charge of or was responsible to the accused Company for the conduct of its business.

37. There must be a specific allegation in the Complaint as to the part played by the alleged Directors in the transaction, as has been observed by the Apex Court in N.K. Wahi vs. Shekhar Singh, (2007) 9 SCC 481. There should be clear and unambiguous allegation as to how the Directors are in-charge and responsible for the conduct of the business of the Company. While the exact words of the Section may not be reproduced, but the role of the Director must be discernible from the averments made in the Complaint. In the absence of any averment or specific evidence, the Complaint would not be entertainable.

38. Thus, mere designation as a Director is not sufficient; specific role and responsibility must be established in the Complaint as held by the Apex Court in S.M.S. Pharmaceuticals Ltd. vs. Neeta Bhalla and Another, (2005) 8 SCC 89.

39. Now, it is pertinent to refer to the contents of the Complaint under Section 138 N.I. Act to assess whether any specific allegations are made qua the Petitioner. The relevant extracts of the Complaint dated 22.09.2018 are as follows:

“2. Accused No. 1 is a company incorporated under the companies Act, 1956 and is represented to be in the business

*of manufacturing of chemical products. **Accused No 2 and 3 are the Directors of Accused No . 1**, whereas Accused No.4 and 5 are its authorized signatories in the bank account. **Accused No 2 to 5 look after and manage the day to day affairs and business of accused No. 1 and they are / were the persons in charge and responsible for the conduct and business of accused No .1** at the relevant time, in fact, accused No 1 is an alter ego of accused Nos. 2 and 3.*

*3. **Accused No 1, through Accused No 2 and 3 approached the complainant company for taking a loan of Rs. 40,00,00,000 (Forty Crore Only) against mortgage of property, and after considering the proposal of accused No. 1, the complainant sanctioned a loan of Rs. 40 Crore to the accused No. 1 vide sanction letter dated 23.03.2016 against creation of security on the property mentioned in the sanction letter. Then loan was to be repaid at the end of the terms of 24 months and the interest was to be paid at the end of each quarter throughout the term of the loan.***

*5. **That towards the repayment of the principal and interest, Accused No 2 and 3 handed over cheques on behalf of Accused no .1 to the complainant presented the following cheques at a branch of Axis Bank at Gurgram, Haryana for crediting in the account of the complainant Company maintained with a branch of Axis Bank at Karol Bagh, New Delhi.***

The above cheques were issued by Accused No 4, Mr. Sanjay Gupta and Accused No 5, Mr. Pankaj G Sachdeva on behalf of Accused No .1 with the consent connivance and knowledge of the other Accused persons in favor of the complainant in discharge of the part liability of accused No. 1.

*8. **It is an admitted position that the accused No . 1 in discharge of its obligations, and with prior approval from***

Directors i.e. Accused No 2 and 3 who independently and jointly with the consent, connivance and knowledge of the each other, issued cheques in favor of the complainant for repayment of this loan amount and interest, which were signed by Accused Nos. 4 and 5. Accused No 1 to 5 at all times were aware of the debt and liability assumed thereunder in relation to the same. Accused Nos. 2 to 5 have been instrumental in issuance of the cheques aggregating Rs, 41,44,00,000/- (Rupees Forty one crore and forty four lakhs only) which is a debt due and payable by all the accused persons to the complainant.

10. That the above mentioned cheques were issued by the accused no. 4 and 5 with the consent connivance and knowledge of accused Nos. 2 and 3 on behalf of accused No 1 in favor of the complainant company in discharge of part liability of accused No 1 and the same were dishonoured on presentation, further, despite the service of the legal notice dated 09.08.2018, the accused persons have not made any payment against the said dishonoured cheques and thus they have committed an offences punishable under section 138/141/143A of the Negotiable Instrument Act, 1881.”

40. The aforesaid extracts from the Complaint shows that no specific role has been ascribed to the Petitioner (referred to as Accused No. 3 in the said Complaint) or can be ascertained from the relevant paragraphs of the Complaint. Mere bald assertion that the Petitioners were responsible for day to day affairs, is not enough to attract provisions of N.I. Act, unless it is explained as to how and in what manner Petitioner is in charge of and responsible for conduct of the business of the Company.

41. Furthermore, DIR 12 reflects that the Petitioner has been categorised as a “**Director**” within the class of “**Non-Executive Directors**” with his date of Appointment being 30.09.2014.

42. He was thus, a Non-Executive Director who was appointed on 30.09.2014.

43. The role and responsibility of Non-Executive Directors was considered by Apex Court in the case of Pooja Ravinder Devidasani v. State of Maharashtra, (2014) 16 SCC 1 wherein it was observed that “*while taking into consideration that a **non-executive director** plays a governance role and are not involved in the daily operations or financial management of the Company, held that to attract liability under section 141 of the NI Act, the accused must have been actively in-charge of the company's business at the relevant time. **Mere directorship does not create automatic liability under the Act. The law has consistently held that only those who are responsible for the day-to-day conduct of business can be held accountable.***”

44. The Apex Court in the case of Chitalapati Srinivasa Raju v. Securities and Exchange Board of India, (2018) 7 SCC 443, held that “**non-executive directors** are, therefore, persons who are not involved in the day-to-day affairs of the running of the company and are not in charge and are not responsible for the conduct of the business of the company.”

45. These observations made in the case of Pooja Ravinder Devidasani (supra) have been endorsed by the Apex Court in the recent case of Kamal Kishor Shrigopal Taparia v. India Ener Gen Private Limited, 2025 INSC 22.

46. Similar observations have been made in Ashok Shewakramani & Ors. vs State of Andhra Pradesh & Anr., (2023) 8 SCC 473 and reiterated in Hitesh Verma vs. M/s Health Care at Home India Pvt. Ltd. & Ors., Crl. Appeal No. 462/2025.

47. *Thus, it is clear that Non-Executive Directors, including Independent Directors, are typically not involved in the day-to-day operations of the Company, which further limits the scope of their potential liability.*

48. Further, **Section 149(12) of the Companies Act, 2013** provides a protective framework for Independent Directors and Non-Executive Directors (not being promoter or key managerial personnel), by limiting their liability. It holds them accountable only for acts of omission or commission by the Company that occurred with their knowledge gained through Board processes and with their consent, connivance, or due to their failure to act diligently.

49. The Petitioner is a *Non-Executive Director* of the accused Company, and no specific role has been imputed to him in the Complaint except for the general averments that he is a director of the accused Company and all acts were done with his consent and permission, along with other Directors. His designation is evident from the DIR-12 Form placed on record and the relevant details from the same are described hereunder.

50. *Therefore, it cannot be said that he was in-charge or responsible for the day today working of the Accused Company and is entitled to be discharged.*

51. In view of Section 141 N.I. Act and Section 149 of Companies Act, 2013, the Petitioner could have been held vicariously liable only if it was shown that *he was in charge of and was responsible for the conduct of the*

2025:DHC:10523

business of the Company at the time of commission of offence. However, nowhere in the Complaints is there even a single word to explain his day to day involvement which assumes significance as he is a Non-Executive Director, who by definition *not hold any security or interest in the Company*.

52. *Petitioner Pramod Kumar is therefore, entitled to be discharged.*

Relief:

53. The Petition ***CRL.M.C. 1071 of 2021*** is allowed and the Summoning Order dated 04.10.2018 in respect of Pramod Kumar is hereby, set aside.

54. The Petition is accordingly disposed of, along with pending Application(s), if any.
