[Physical Hearing/Hybrid Hearing (as per request)]

CRL.M.A. 17222/2025 (exemption)

1. Allowed, subject to all just exceptions.

W.P.(CRL) 1835/2025

2. Petitioner has sought emergency parole on the ground of illness of his father. The emergency expressed is in the form of medical prescription dated 16.05.2025 according to which father of the petitioner needs help for daily activities. No other document has been referred to during submissions.

3. After part submissions, learned counsel for petitioner seeks permission to withdraw this petition with liberty to file appropriate application before the competent authority.

4. Accordingly, the petition is dismissed as withdrawn with liberty as sought.
5. However, it is noticed that the prescription dated 16.05.2025 certifying that the patient needs help for daily activities was issued by one Dr. Ishwar Bohra, described in the prescription as Senior Director, Joint Replacement in BLK Max Hospital. It is quite strange that an orthopaedician is issuing such certificate for a prostate patient. Detailed inquiry into this aspect would cause delay in the relief of parole in case the petitioner truly deserves the same. However, a copy of this order be sent to the Director, BLK Max Hospital through Investigating Officer for information and necessary course correction.
6. Copy of this order be sent to the Jail Superintendent for compliance.
