ORDER

01.05.2025

1. It is informed by the counsels for the parties that the final order in the writ petition has been passed on 29th May 2024 by a Coordinate Bench of this Court.
2. The challenge in the writ arises in a set of batch matters preferred by licensees in respect of *multi-purpose stalls* at various railway stations, which were disposed of, noting that the Court did not find any merit in the petitions, and the same were dismissed.
3. However, considering that since the petitioners had been operating the concerned *multi-purpose stall* for a very long period of time, to enable the petitioners to make a transition and make alternative vending arrangement/s, the Court considered it apposite to grant a period of 3 months to the petitioners (from the date of the extended license period after taking into account the *dies non* period; OR from the date of this judgment,

whichever was later) to vacate the stalls in questions.

4. Considering the order of which compliance is sought, has since been superseded by the final order of the Court, this petition is disposed of with an undertaking by the respondents that they shall comply with the final order dated 29th May 2024 in **W.P. (C) 10847/2023**.

5. Order be uploaded on the website of this Court.
