ORDER

%

1. As per report dated 18.12.2025 received from Medical Officer, Central Jail Dispensary, the petitioner is being provided treatment/investigations on OPD basis and is not advised for hospital admission for the purpose of treatment.
2. Referring to requisitions/instructions/consent form for MRI dated 10.09.2025, the learned counsel submits that the next date given for conducting MRCP and MRI test is 19.02.2027, which is too long a date and there is likelihood that in the absence of proper diagnosis, the condition of the petitioner may further deteriorate.
3. The report dated 18.12.2025 indicates that MRCP has since been conducted at Lok Nayak Hospital and the condition of the petitioner will be reviewed in Lok Nayak Hospital after report collection of MRCP.
4. On the basis of the report received, the Court is satisfied that the

petitioner is being provided requisite treatment and therefore there is no ground for the grant of interim bail.

5. The application is dismissed with direction that the MRCP report be collected and be shown to the expert for opinion and requisite treatment as advised by the doctor be continued to be provided to the petitioner.
