2. Counsel for respondent no.2, who appears on advance notice, states on instructions that outer limit prescribed for providing an electricity connection is 6 months from date when demand is satisfied by petitioner,

which in present case is 25th August 2025. As per him, time is required for electricity connection as network is to be laid down after obtaining permission from other authorities.

3. It is assured that within 8 weeks' time from today, electricity connection shall be provided to the petitioner.
