HON'BLE MR. JUSTICE VINIT KUMAR MATHUR

Order

11/02/2025

1. Heard learned counsel for the parties.

2. The present batch of writ petitions involves identical question, therefore, the same is being disposed of by this common judgment.

3. Learned counsel for the petitioners-Institutions submit that the petitioners-Institutions are imparting education in Diploma/Degree/Master courses of Nursing education. They further submit that the present Institutions have applied for requisite permission from the State Government and despite having completed all the requisite formalities for grant of "No Objection Certificate", the State Government has not decided/granted "No Objection Certificate" to the petitioners-Institutions, therefore, the present writ petitions have been filed.

4. Learned counsel for the petitioners-Institutions submit that the petitioners-Institutions after having completed all the requisite formalities are running in accordance with law. They further submit that the infrastructure for imparting education in the nursing course are available with the petitioners-Institutions. They further submit that the petitioners-Institutions have been inspected by the competent authorities of the respondent-Department and have not found any infirmity till date. They further submit that despite petitioners-Institutions having completed all the requisite formalities for grant of "No Objection Certificate", the State Government is sitting tight over the matter and has not decided the case of the petitioners for grant of "No Objection Certificate".

5. Learned counsel for the petitioners further submit that since case of the petitioners-Institutions for grant of "No Objection

Certificate" has not been decided, this Court time to time has passed interim orders for increasing number of seats as well as allowing the Institutions to participate in the ongoing counseling process for admitting the students in the nursing education. They, therefore, pray that the respondents may be directed to decide the pending case of the petitioners-Institutions for grant of "No Objection Certificate" expeditiously.

6. Per contra, Mr. Rajpurohit, learned AAG for the respondent-State submits that the process for grant of "No Objection Certificate" is taken up with the competent authorities and will be shortly completed. Learned counsel for the State assures this Court that the competent authorities of the respondents will be sensitized for taking early decision in the matter.

7. I have considered the submissions made at the Bar and have gone through the relevant record of the case.

8. Since the petitioners-Institutions are imparting education in the field of nursing courses and students are having been admitted in the nursing courses in pursuance of the interim order passed by this Court, therefore, it is urgent need of the hour to issue a direction to the State Government to decide the case of the petitioners-Institutions for grant of "No Objection Certificate", at the earliest.

9. In the considered opinion of this Court, the respondent-State is under an obligation to decide the cases of the petitioners-Institutions for grant of "No Objection Certificate" expeditiously, so that the students, who are studying in the petitioners-Institutions may not suffer and their future may not hang in uncertainty.

10. In these circumstances, the present writ petitions are disposed of with a direction to the respondents to decide the case of the petitioners-Institutions for grant of "No Objection Certificate" within a period of eight weeks from the date of receipt of the certified copy of this order, strictly in accordance with law.

11. The interim order passed by this Court shall continue till the cases of the petitioners-Institutions for grant of "No Objection Certificate" are decided. It is further ordered that if the “No Objection Certificate” is granted to the petitioners-Institutions, then all the benefits accruing therefrom shall be made available to the petitioners-Institutions in accordance with law.

12. It is made clear that if the State Government passes an order adverse to the interest of the petitioners-Institutions, it shall record reasons for doing so after taking the entire material placed before it including the inspection reports.

13. It is also directed that till the State Government decides the cases of the petitioners-Institutions for grant of "No Objection Certificate", the benefits (enrollment, appearing in examination and declaration of results) accruing to the students in pursuance of the interim order passed by this court shall be continued.

14. It is further ordered that the students admitted by the present Institutions under the garb of the interim order shall remain subject to the outcome of the decision on the “No Objection Certificate” to be granted by the State Government. If the State does not grant the “No Objection Certificate” to the Institutions, the Institutions will be responsible for admitting the students in the Institutions and the outcome of such decision.

15. The present order will be applicable to the students who have been admitted as per the guidelines issued by the State Government/Nursing Council for counseling.

16. The affiliation/recognition of the Universities/Colleges will be governed by the norms and guidelines of the RUHS, RNC and INC and further the competent authorities of these departments will be under an obligation to consider the delay in grant of NOCs to such Institutions while considering their respective cases.
