ORAL ORDER

learned counsel for the respondents.

2. The present writ application has been filed seeking

a direction upon the respondents to remove the alleged

encroachment made over Revisional Survey Khesra No. 241,

appertaining to Khata No. 473, measuring an area of 0.07

decimal, situated under Revenue Thana No. 194, Mouza-Haraili, within Udakishunganj Anchal in the district of Madhepura. According to the petitioner, the land in question is recorded as "Anabad Bihar Sarkar" in the survey khatian and has been used as an Aam Rasta since time immemorial. It is alleged that respondent nos. 10 and 11 have recently encroached upon the said land by erecting steel-sheet fencing and obstructing the public pathway, thereby causing inconvenience and public nuisance to the local residents.

2. Learned counsel appearing for respondent nos. 1 to 3, by referring to paragraph 12 of the counter affidavit and the order passed by the Circle Officer, Udakishunganj, submits that police force was deployed at the site and the land in question has since been made free from encroachment. The said statement has not been disputed by learned counsel for the petitioner.

3. In view of the statement made on behalf of the official respondents that the encroachment over the land in question has already been removed, the writ application stands disposed of.

4. However, the authorities of Circle, Udakishunganj should be cognizant and take appropriate steps in accordance

with law in the event any fresh encroachment is made over any public land in future.
