2. This application has been filed renewing the prayer for bail on behalf of the petitioner whose bail application had stood dismissed as withdrawn by an order dated 24.06.2025 on a wrong instruction which was put forth by a proxy of the then advocate on record to withdraw the application on behalf of the present petitioner, rather the instruction was only to withdraw the application on behalf of two petitioners namely Amit Mishra and Chandan Mishra as one of them had been arrested and the other had surrendered.
