ORAL JUDGMENT

(Per: HONOURABLE THE CHIEF JUSTICE)

Date : 23-02-2026

This Letters Patent Appeal has been filed by Subodh Kumar Singh challenging the order dated 16.01.2025 passed by the learned Single Judge in C.W.J.C. No. 7566 of 2022. The writ petition was filed seeking the following reliefs:-

" (i) For issuance of writ or writs in the nature of mandamus commanding and directing the respondents concerned to pay the salary amount from 05.07.2018 to 08.02.2022 along with witnesses in view of Memo No. 09 dated

12.01.2022 issued by the Respondent No.-2, Director, Secondary Education, Patna as well as compensation amount for deliberate and knowingly harassing the petitioner debarring from legal service for the said post.

(ii) For holding and declaration that petitioner deserves to get the salary amount for the period 05.07.2018 to 08.02.2022 and the compensation amount in view of Memo No.-09 dated 12.01.2022 and in view of order dated 09.02.2022 passed by 'Lokayukta' in Complaint Case No.-33/2021."

2. In paragraph 18 of the counter affidavit filed by Respondent No. 4 in C.W.J.C. No. 7566 of 2022, by one Kamlesh Kumar, District Programme Officer, Munger, it has been stated as follows:-

"18. That hence from the above-mentioned facts and circumstances it is manifestly clear that the petitioner already paid for the period for which he gave his service as a guest teacher and there is no any other relief available to the petitioner which has to be fulfilled by the answering respondent. Therefore, the present writ petition is fit to be dismissed. The Hon'ble Court may be pleased to disallow this petition and dispose the same at the admission stage itself."

3. The learned Single Judge has taken note of the aforesaid paragraph and, after due consideration, has passed the

impugned order. This position has not been rebutted by the learned counsel for the petitioner.

4. Since the writ petitioner has already been granted the relief sought in the writ petition, the present Letters Patent Appeal is wholly misconceived and is, accordingly, dismissed.
