CORAM: HONOURABLE MR. JUSTICE RANA VIKRAM SINGH

ORAL ORDER

2 06-11-2026 The present writ application has been preferred for issuance of directions to the respondents to pay the admissible amount of risk fund and other financial benefit, to which the petitioner claims his entitlement on account of him being

relieved from service on medical issues.

2. Mr. Anirudh Mishra, learned counsel appearing on behalf of the petitioner submits that the petitioner had initially joined service on 28.07.2004 as a Constable in C.R.P.F, and after having spent more than 10 years of service, he was diagnosed to have been suffering from some mental illness. Accordingly, a medical board was constituted by the department which after examining the petitioner, found him to be suffering from schizophrenia rendering him unfit for serving in the C.R.P.F.

3. The medical board also fixed the percentage of disability of the petitioner to the extent of 80% Psychiatrically on account of which, he was invalidated out from his service with effect from 04.03.2016 with recommendation that he was entitled to get benefits under new pension Scheme as per Rules, with respect to which, an office order was duly issued and a copy of which was also served upon the petitioner.

4. The learned counsel for the petitioner, at this stage, submits that the petitioner was entitled to get the admissible amount of risk fund and other financial benefits which was not paid to him, compelling him to move this Court by filing this application.

5. Smt. Punam Kumari Singh, learned counsel appearing on behalf of the Union of India submits that on 09.12.2016, a payment of Rs. 21 lakhs had already been released in favour of the petitioner and the same was duly credited into his bank account. This amount was paid in terms of the entitlement of the petitioner from the risk fund.

6. The solitary relief for which the present writ application has been filed by the petitioner, is to get the admissible amount from the risk fund on account of him being invalidated from his service owing to medical reasons duly certified by the medical board, constituted by the respondent authorities. Since the amount has already been paid to the petitioner, the grievance of the petitioner appears to have been redressed and nothing remains in this matter to be adjudicated upon.

7. It is made clear that the matter has been disposed of on the specific averment made by the learned counsel appearing on behalf of the Union of India to the effect that the admissible amount of risk fund for which the petitioner approached this Court, has already been paid to him.

8. In case of any subsisting grievance besides the above, the petitioner will have liberty to approach the competent

authority for redressal of the same.

9. Accordingly, the present writ application stands disposed of.
