It has further been submitted that there is no allegation that husband

of the informant was assaulted on other parts of the body but the injury report goes to show that he had received injuries on hand, chest and right leg, and probably, he might have sustained injuries in an accident and taking benefit of same, due to previous case lodged against him, has falsely implicated the petitioners after 25 days of the alleged occurrence. It has further been submitted that the petitioner no. 1 has been made accused in one other case, but is on bail in the said case, but the allegations were not found true against him and consequently, he was exonerated after investigation, while petitioner no. 2 has got no criminal antecedent.
