3. The case of the prosecution, in short, as per the informant is that on 30.08.2025, the informant, Sub-Inspector Shambhu Kumar along with armed police personnel, went out on night patrol in a government vehicle. During patrolling at

around 3:00 AM, the informant received secret information that an illegal tractor loaded with sand was coming towards Kachhwa village. The informant reached the middle school near Saraiya village with the local chowkidar. Three illegal tractors loaded with sand were seen approaching from the direction of Saraiya village. Upon seeing the police, the drivers of the three tractors turned their vehicles around, making a commotion, and tried to flee. The informant with the help of the armed police, attempted to chase and apprehend them, but the drivers of all three tractors managed to escape, abandoning their vehicles. When the informant and his armed police personnel approached the three tractors, 30-40 unknown persons surrounded the tractors and prevented the informant and his team from approaching them. The informant informed his senior officer and the nearby police stations, and other police personnel from Kachhwa Police Station arrived for assistance. As soon as the informant and the police force moved towards the tractors, the assembled crowd, which included some women, started hurling abusive language and became aggressive, attempting to attack the police and forcibly preventing them from approaching the tractors. During this commotion, some individuals drove away with the tractors. The persons obstructing the police in their duty

were identified by local chowkidar. The accused persons obstructed the police in the discharge of their duties.

4. Learned counsel for the petitioners submits that the petitioners are innocent and have committed no offence. The petitioners have been falsely implicated in the present case due to local politic and ulterior motives. No incriminating materials have been recovered from the possession of the petitioners. The petitioners have no criminal antecedent.
