JUDGMENT & ORDER (CAV)

Heard Mr. Supongwati Walling, learned counsel for the petitioners. Also heard Mr. N. Angami, learned Sr. Government Advocate for the State respondents.

2. Since a common question of law is involved in these two Writ petitions, being WP(C) No. 240/2025 and WP(C) No. 241/2025, and since the relief(s) claimed in both the petitions are same, and as agreed upon by both the parties, it is proposed to dispose of both these petitions, by this common judgment and order.

3. It is to be noted here that in WP(C) No. 240/2025, under Article 226 of the Constitution of India, 450 petitioners of Peren District, and in WP(C) No. 240/2025, under Article 226 of the Constitution of India, 98 petitioners of Mukokchung District, have prayed for the following relief(s):-

(i) to direct the respondents authorities to release the back-log

salaries of the petitioners within a specific time period.

(ii) to pass appropriate directions to the respondents authority for payment of the petitioners backlog salaries in line with the directions laid down by the Hon'ble Supreme Court and/or pass similar Order passed by this Court in WP(C) No. 162(K)/2015, vide Judgment & Order (Oral) dated 06-09-2019.

The Background Facts:-

3. The background facts' leading to filing of the present petition is briefly stated as under:-

> "The petitioners were all appointed as work-charged fixed Labourers, under the establishment of the Executive Engineer, PWD (R&B), Peren Division, Peren, and the Executive Engineer (PWD) (R&B), Tuli Division, Nagaland. They served the department continuously without any break for a considerable period. They had attended their duties, like any regular employees, till issuance of a common show cause Notice, dated 05-10-2024. In the said Notice, it was stated that after verification they were found to be irregular employees. Accordingly, the petitioner(s) had filed their reply to the show cause Notices, dated 29-10-2024, & 30-10-2024, to the Engineer-In-Chief, NPWD, Nagaland, Kohima clarifying that due verification was taken by the appropriate authority before their appointment.
>
> However, their reply was rejected by the authorities. Then, vide Notification, dated 06-11-2024, the Engineer-In-

Chief, NPWD, Nagaland, Kohima had terminated them from services with immediate effect.

The petitioners then filed one representation, dated 11.08.2025, to the Engineer-In-Chief, NPWD, and the Chief Engineer, PWD (R&B), Nagaland, Kohima for payment of their backlog salaries, which was held up by the department w.e.f. March 2020, prior to termination from service. But, the same failed to evoke any response.

Being aggrieved the petitioners approached this Court by filing the this petition seeking the relief(s) as aforesaid.

Stand of the respondents:-

4. The Engineer-in-Chief of NPWD, has filed affidavit-in-opposition in both the writ petitions, denying the statement and averment made by the petitioners. It is stated that upon verifications of the appointment orders of the petitioners, by the respondent department, it was found that many of the petitioners' appointment orders were not available in the Department. The petitioners, also in their writ petitions, besides making an averment, have not annexed their appointment orders. And therefore, in the absence of any documents showing that they were appointed in the establishment of Executive Engineer (R&B), Peren Division, Peren, and the Executive Engineer (R&B), Tuli Division, Mukakchung, Nagaland, as Fixed paid Labour by the respondent authorities, the same are denied. It is also stated that upon verification of the documents of the petitioners', many anomalies were detected, including their appointment orders, for which the petitioner were place in the Category 'N' for further verifications.

4.1. It is further stated that in the Department, there are both Work Charged as well as Fixed paid employees, who were appointed without a sanction post and many of this categories of employees were also detected to be a bogus appointee, resulting in a huge financial distress to the State Government, and therefore, in order to identify and verify the details of the employees, the State Government has, by an Office Memorandum No. WH/R&B-20/2018/W/C/924, dated 21.08.2021, divided the work charged employees under the department into three categories, namely Category B, C and D, by the OM dated 21.08.2021, and a District Verification Committee was also constituted with the Deputy Commissioner of respective Districts as Chairman of the Committee and the Executive Engineer of respective Divisions, as Member Secretary and the Committee was entrusted to verify the authenticity of the employees.

4.2. The Committee undertook the verification drive of the concerned categories of employees mentioned in the OM dated 21.08.2021, and several anomalies were detected and therefore, in order to correct the anomalies, the concerned employees were further sub-divided into four categories i.e. Category A, R1, R2 and 'N'.

4.3. Category 'A' are those concerned employees, who have no discrepancies in their service records. Category 'R1' are those concerned employees who have minor clerical error in their documents. Categories R2 are those concerned employees, who have several errors in their documents and Category 'N' are those employees, whose appointments itself are either doubtful or found to be bogus due to several errors, which does not tally with their service records.

4.4. The petitioners, in both the writ petitions, fall under the Category

'N'. It is also stated that on completion of the verification, the Committee had submitted its report to the Government, which was subsequently place before the Cabinet and thereafter, the Cabinet, in its meeting held on 11.09.2024, approved the termination of services of 1309 (one thousand three hundred nine) number of Work-Charged employees, under the respondent Department. In the list of 1309 (one thousand three hundred nine) number of Work-Charged employees, whose services were approved to be terminated by the cabinet, the names of the petitioners in both the writ petitions were present in the list and therefore, by following the due process of law, the Show Cause Notice, No. ENC/PIMS/WC.VER/CORR/2022/ 557/1038, dated 05.10.2024, with direction to justify on or before 31.10.2024, as to why their services should not be terminated; were issued to the petitioners, and after serving them the show cause Notice, the services of the petitioners in both the writ petitions were terminated, vide Notification No.ENC/PIMS/WC.VER/CORR/2022/ 557/4115, dated 06.11.2024. It is also stated that in the Office Memorandum, dated 21.08.2021, it is clearly stated that till the verification process is over, the above categories of employees should be directed not to report for duty, and only to report, as and when the Verification Committee calls for the same. A Corrigendum, dated 25.08.2021, was thereafter issued with a modification made to Sl. No. 2 of the O.M. dated 21.08.2021, by stating that Sl. No. 2 should be read as till the verification process is over, and the 'C' and 'D' categories of employees should be directed not to report for duty, but only to report as and when the Verification Committee calls for the same, and not as issued. It is also stated that the petitioners' falls within the category of

Work Charged employees mentioned at Sl.No.2 of the OM dated 21.08.2012, and the subsequent Corrigendum, dated 25.08.2021, and as such, the petitioners could not attend and discharge their duties, as they were stopped from reporting to their duties, and as such, the contention of the petitioners that after utilizing their services by the department and sending them without even paying their salaries is not acceptable in the eyes of law and the contention is out and out false, and misleading.

4.5. It is also stated that from their own admission of the petitioners of WP(C) No.240/2025, it is apparent that only two of the appointment orders could be traced, which goes to show that the authenticity of the statement made by the respondent authorities, in this affidavit with regards to bogus/doubtful appointment order of the petitioners which has resulted in their termination from service. It is also stated that on careful perusal of the two appointment orders, referred to by the petitioners, it is seen that it is just a replacement order, which is an internal arrangement made by the Division concerned and as such this internal arrangement does not give or creates any legitimate right, as stated by the petitioners and therefore, such averment made by the petitioners are denied by the respondent authorities. And that the petitioners have failed to make out a prima facie case. Therefore, both the writ petitions are liable to be dismissed.

Submissions of learned counsel for the petitioners:-

5. Mr. Supongwati Walling, learned counsel for the petitioners', in both the writ petitions, submits that the petitioners have not challenged their termination order. Their only prayer is to release their arrear salary, to which they are legally entitled to. Mr. Walling also submits that the State

respondents cannot avail the service of the petitioner without payment of their salary. And though for some days the petitioners could not attend and discharge their service, yet, it was not for their fault, but, due to the fault of the respondent authorities. It is the further submission of Mr. Walling that the right of the petitioners to salary is violated in both the cases. Therefore, Mr. Walling has contended to allow this petition.

5.1. Mr. Walling has referred following decisions in support of his submissions:-

(i) Sudhendu Mohan Talukdar vs. State of Assam & Ors.reported in MANU/GH/0291/2006;

(ii) Narendra Kumar Chandla vs. State of Haryana and Others, reported in (1994) 4 SCC 460;

(iii) People's Union For Democratic Rights and Others. vs. Union of India and Others, reported in (1982) 3 SCC 235;

(iv) Shobha Ram Raturi vs. Haryana Vidyut Prasaran Nigam Limited and Others, reported in (2016) 16 SCC 663;

(v) Asha vs. Pt. B.D. Sharma University of Health Science and Others, reported in (2012) 7 SCC 389;

(vi) Dulu Deka vs. State of Assam and Others, reported in (2023) 9 SCC 749;

Submissions of learned counsel for the respondents:-

6. Per contra, Mr. N. Angami, learned Sr. Government Advocate for the State respondents, has vehemently opposed the petitions. He submits that the appointment of the petitioners, in both the writ petitions, are bogus

and to ascertain the same verification was conducted by the department and upon verifications of the appointment orders of the petitioners, it was found that many of the petitioners' appointment orders were not available in the Department and the petitioners' also, in the writ petitions, failed to annexed any appointment orders and in the absence of any documents showing that they were appointed in the establishment of Executive Engineer (R&B), Peren Division, Peren, Nagaland and also under the Executive Engineer, PWD (R&B) Tuli Division, as Fixed pay Labour, by the respondent authorities could not be established.

6.1. Mr. Angami also submits that upon verification of the documents of the petitioners' of both the petitions, many anomalies were detected, including their appointment orders, for which the petitioners of both the petitions were place in the Category 'N', by theDistrict Verification Committee, which was constituted with the Deputy Commissioner of respective District as Chairman of the Committee and the Executive Engineer of respective Divisions as Member Secretary, vide Office Memorandum No. WH/R&B-20/2018/W/C/924, dated 21.08.2021. The committee has divided the work charged employees, under the Department, into three categories, namely, Category 'B', 'C' and 'D', by the OM dated 21.08.2021,and in order to correct the anomalies the concerned employees were further sub divided into four categories i.e. category 'A', 'R1', 'R2' and 'N'.

6.2. Mr. Angami also submits that category 'A' are those concerned employees who have no discrepancies in their service records. Categories 'R1' are those concerned employees who have minor clerical error in their documents. Categories 'R2' are those concerned employees who have

several errors in their documents and Category 'N' are those employees whose appointment itself are either doubtful or found to be bogus, due to several errors, which does not tally with their service records.

6.3. Mr. Angami also submits that on completion of the verification, the Committee had submitted its report to the Government and the same was subsequently place before the Cabinet and the Cabinet, in its meeting held on dated 11.09.2024, approved the termination of services of 1309 Work-Charged employees, under the respondent Department and that the names of the petitioners were also present in the said list and therefore, by following the due process of law the service of the petitioners of both the writ petitions, were terminated vide Notification No.ENC/PIMS/WC.VER/CORR/2022/557/4115, dated 06.11.2024.

6.4. It is the further submission of Mr. Angami that in the Office Memorandum dated 21.08.2021, it is clearly stated that till the verification process is over, the above categories of employees should be directed not to report for duty, but, only to report as and when the Verification Committee calls for the same. He also submits that the petitioners hadnot attended and discharged any duty for the said period. And as such they are not entitled to any back wages. Mr. Angami also submits that if the respondent authorities are directed to pay the arrear salary to the petitioners, then it would be inequitable to them, as it would become a burden upon the public exchequer. Therefore, Mr. Angami has contended to dismiss both the writ petitions.

Issue before this Court:-

7. In vise of the rival submissions of learned counsel for both the parties, the issue, to be answered by this court is :-

(i) Whether the petitioners in both the writ petitions, are entitled to back wages from the date of the Office Memorandum dated 21.08.2021, by which they were asked not attend the office, till termination of their services vide Notification No.ENC/PIMS/WC.VER/CORR/2022/557/4115, dated 06.11.2024, with immediate effect?

Discussion and analysis:-

8. Having heard the submissions of the learned Advocates of both sides, this Court has carefully gone through the petitions and the documents placed on record and also perused the Office Memorandum dated, dated 21.08.2021 and the terminated order, issued vide Notification No.ENC/PIMS/WC.VER/CORR/2022/557/4115 dated 06.11.2024.

9. The basic facts in both cases are not in dispute. The petitioners in both the writ petitions were working as fixed paid Labour in the establishment of Executive Engineer (R&B), Peren Division, Peren, Nagaland and in the establishment of Executive Engineer, PWD (R&B) Tuli Division. And upon verification of their documents, the Department has detected many anomalies, including their appointment orders. The District Verification Committee, which was constituted with the Deputy Commissioner of respective District as Chairman of the Committee and the Executive Engineer of respective Divisions as Member Secretary, videsOffice Memorandum No. WH/R&B-20/2018/W/C/924, dated 21.08.2021,had divided the work charged employees, under the department into three categories, namely, Category 'B', 'C' and 'D', by the OM dated 21.08.2021,and in order to correct the anomalies the concerned employees were further sub divided into four categories, i.e. category 'A',

'R1', 'R2' and 'N'.

9.1. It also appears that out of the said categories, the Committee has placed those employees in category'A', who have no discrepancies in their service records. Then in category'R1', those concerned employees who have minor clerical error in their documents. Then in categories 'R2', those concerned employees who have several errors in their documents and in Sub-category 'N', those employees, whose appointments itself are found to be either doubtful or bogus, due to several errors which does not tally with their service records.

9.2. Indisputably, the petitioners of both the writ petitions, were place in the Sub-category 'N', by the said Committee, whose appointments itself are either doubtful or found to be bogus, due to several errors which does not tally with their service records.

9.3. As pointed out by Mr. Angami, and that too rightly, the petitioners in WP(C) No. 240/2025, in paragraph No.10 of the petition, admitted that they have in their custody only two appointment letters, i.e. appointment letters of the petitioners No. 73 and 77. Rest of the appointment letters were not enclosed with the petition. And those two appointment letters are also found to be just replacement orders which is an internal arrangement of the Department which does not create any legal right.

9.4. It also appears that the report of the Committee was submitted to the Government and the same was subsequently place before the State Cabinet and the State Cabinet, in its meeting held on 11.09.2024, had approved the termination of services of 1309 Work-Charged employees, under the respondent Department. And it also appears that the names of

the petitioners of both the writ petitions also finds mention in the said list.

9.5. Further, it appears that before the termination order being passed, the respondent authorities had issued show cause Notice, to the petitioners and the all the petitioners of both the writ petitions, have filed their response. And only thereafter, the service of the petitioners were terminated vide Notification No.ENC/PIMS/WC.VER/CORR/2022/557/4115, dated 06.11.2024. Thus, due process of law appears to be followed by the respondent authorities before termination of services of the petitioners.

9.6. Moreover, it is not the pleaded case of the petitioners that due process of law was not by the respondent authorities while terminating their services.

9.7. It also appears from a perusal of the report of the committee, constituted vide Office Memorandum, No. WH/R&B-20/2018/W/C/924, dated 21.08.2021, that those petitioners, who were placed in 'N' Sub-category, have no PIMS and their ADHAR data are completely different. One example is also given in the report that if the name an employee in PIMS is KEVI, the name in ADHAR is- Bokato.

9.8. Further, it appears that even after submission of the report by the committee constituted vide Office Memorandum No. WH/R&B-20/2018/W/C/924, dated 21.08.2021, cross-checking was done by the Department's Officials and the employees placed under 'N' Sub- category have not been able to produce relevant documents to defend their case, despite providing them ample opportunities.

9.9. It is worth mentioning in this context that the petitioners in both the writ petitions have not filed any reply to the affidavit in opposition filed by

the respondent authorities. And as such the stand taken by the respondent authorities in their affidavit in opposition remained uncontroverted.

10. Thus, from the pleadings of the parties as well as from the submissions of their respective counsel following facts emerges:-

(i) The petitioners, except petitioner Nos. 73 and 77, (Annexure 15 & 16) of WP(C) No. 240/2025, do not possess their appointment letters.

(ii) Those two appointment letters (Annexure 15 and 16) are also found to be just replacement order, which is an internal arrangement of the Department and it does not create any legal right.

(iii) The petitioners have failed to furnish their complete address, such as their fathers' name and place of residence etc.in the writ petitions.

(iv) What the petitioners have enclosed with the petitions is their identity card, which also failed to disclose their complete address.

(v) They have not challenged the Office Memorandum No. WH/R&B-20/2018/W/C/924, dated 21.08.2021,by which a committee was constituted with the Deputy Commissioner of respective District as Chairman of the Committee and the Executive Engineer of respective Divisions as Member Secretary, and the report filed by the said Committee.

(vi) They have also not challenged their terminated order, issued vide Notification No.ENC/PIMS/WC.VER/CORR/ 2022/557/4115, dated 06.11.2024.

(vii) It also appears that those petitioners, who were placed in 'N' Sub-category, have no PIMS and their ADHAR data are completely different.

(viii) Prior to the matter of the petitioners being placed before the Cabinet, cross-checking was done by the Department's Officials and the petitioners have not been able to produce relevant documents to defend their case, despite providing them ample opportunities.

11. Thus, from the aforesaid facts, the appointment of the petitioners seems to be illegal that from the very inception. As stated above and also indisputably, the petitioners had failed to annex any appointment orders, except however, petitioners' No. 73 and 77, (Annexure 15 & 16) in WP(C) No.240/2025, which are also just replacement order and internal arrangement of the Department and create no legal right. And in the absence of any documents showing that they were appointed in the establishment of Executive Engineer (R&B), Peren Division, Peren, Nagaland and also by the Executive Engineer (R&B), Tuli Division, Mukokchung, Nagaland as Fixed pay Labour, by the respondent authorities could not be established.

11.1. Even, after placing the petitioners in the Category 'N', by the District Verification Committee and before the matter being placed before the Cabinet, the same was cross-checked by the Department's Officials and

the petitioners were granted the opportunity to defend their case, but, they have not been able to produce relevant documents, despite ample opportunities being providing them.

11.2. In view of the aforesaid factual background, and in view of the stand taken by the respondent authorities, now another question, to be addressed by this Court is, whether the petitioners can be granted any equitable relief, as prayed for.

11.3. This aspect was considered by Hon'ble Supreme Court in **State of Bihar & Ors. v. Devendra Sharma,** reported in **(2020) 15 SCC 466**. In the said case Hon'ble Supreme Court has held as under:-

> "**The rights to salary, pension and other service benefits are entirely statutory in nature in public service. Therefore, these rights, including the right to salary, spring from a valid and legal appointment to the post. Once it is found that the very appointment is illegal and is non-est in the eye of the law, no statutory entitlement for salary or consequential rights of pension and other monetary benefits can arise.**"

11.4. When an appointment is found to be bogus, without documents, forged, fraudulent, or otherwise illegal and void ab initio, the same is not merely irregular, and as such no legal employer-employee relationship ever existed. And as such, there is no statutory or enforceable right to salary, arrears, or other service benefits for any period, including the inquiry period, when salary was stopped and the petitioners were kept away from duty. The right to salary is consequential upon a valid appointment to a post. If the root (appointment) is non-existent in law,

the claim to salary cannot survive.

11.5. In the instant case, the finding of the committee and subsequent approval of the Cabinet and termination of their services from the date of the order, and after the petitioners were stopped from attending office, and salary was not paid and the final finding that the appointments were found to be bogus and without documents, brings the case within the ratio laid down in the case of **Devendra Sharma (supra)**. The petitioners herein cannot claim the stopped salary as of right.

11.6. It is however a fact that 'No Work, No Pay', principle is not applicable herein this case, as the respondent authorities itself prevented petitioners from working during the enquiry period. But, it is equally important that said proposition would have been applicable to them had the petitioners been validly appointed and prevented from working in the case of suspension or termination, later set aside, as held by Hon'ble Supreme Court in the case of **Srikantha S.M. v. Bharath Earth Movers Ltd.**, reported in **(2005) 8 SCC 314**. Once the appointments of the petitioners are found to be bogus and contrary to their service record and as such the same being void ab initio, there was never a valid right to be on duty or to receive salary.

11.7. The petitioners herein have failed to demonstrate that the finding of the committee itself is perverse, based on no evidence, or violated the principle of natural justice in a manner that vitiates the entire process. When the appointment is correctly found to be bogus, equitable relief for the stopped salary is not available. It is well settled that once the appointment is finally held to be bogus/void, this Court, under Article 226

of the Constitution of India has exercised limited equitable discretion, that does not ordinarily override this principle.

12. It is also to be noted here that while dealing with the issue of granting equitable relief in a proceeding under Article 226 of the Constitution of India, Hon'ble Supreme Court in the case of **Ritesh Tewari v. State of U.P.**, reported in **(2010) 10 SCC 677**, held as under:-

> "**26. The power under Article 226 of the Constitution is discretionary and supervisory in nature. It is not issued merely because it is lawful to do so. The extraordinary power in the writ jurisdiction does not exist to set right mere errors of law which do not occasion any substantial injustice. A writ can be issued only in case of a grave miscarriage of justice or where there has been a flagrant violation of law. The writ court has not only to protect a person from being subjected to a violation of law but also to advance justice and not to thwart it. The Constitution does not place any fetter on the power of the extraordinary jurisdiction but leaves it to the discretion of the court. However, being that the power is discretionary; the court has to balance competing interests, keeping in mind that the interests of justice and public interest coalesce generally. A court of equity, when exercising its equitable jurisdiction must act so as to prevent perpetration of a legal fraud and promote good faith and equity. An order in equity is one which is equitable to all the parties concerned. The petition can be**

entertained only after being fully satisfied about the factual statements and not in a casual and cavalier manner. (Vide Champalal Binani vs. CIT [(1971) 3 SCC 20: AIR 1970 SC 645]; Chimajirao Kanhojirao Shirke v. Oriental Fire and General Insurance Co. Ltd. [(2000) 6 SCC 622: AIR 2000 SC 2532]; LIC v. Asha Goel [(2001) 2 SCC 160: AIR 2001 SC 549]; Haryana Financial Corpn. vs. Jagdamba Oil Mills [(2002) 3 SCC 496]; Chandra Singh v. State of Rajasthan [(2003) 6 SCC 545: 2003 SCC (L&S) 951] and Punjab Roadways vs. Punja Sahib Bus and Transport Co. [(2010) 5 SCC 235])

27. Where a party's claim is not founded on valid grounds, the party cannot claim equity. A party that claims equity must come before the court with clean hands as equities have to be properly worked out between parties to ensure that no one is allowed to have their pound of flesh vis-à-vis the others unjustly. (Vide Sikkim Subba Associates vs. State of Sikkim [(2001) 5 SCC 629].)

28.In A.P. State Financial Corpn. vs. Gar Re-Rolling Mills [(1994) 2 SCC 647: AIR 1994 SC 2151] this Court observed: (SCC p. 662, para 18)

> **"18. … Equity is always known to defend the law from crafty evasions and new subtleties invented to evade law."**

29. In M.P. Mittal vs. State of Haryana [(1984) 4 SCC 371: AIR 1984 SC 1888] this Court held: (SCC p. 374, para 5)

> **"5. … it is open to the High Court to consider whether, in the exercise of its undoubted discretionary jurisdiction, it should decline relief to such petitioner if the grant of relief would defeat the interests of justice. The Court always has power to refuse relief where the petitioner seeks to invoke its writ jurisdiction in order to secure a dishonest advantage or perpetuate an unjust gain."**

30. This Court in State of Maharashtra vs. Prabhu [(1994) 2 SCC 481: 1994 SCC (L&S) 676: (1994) 27 ATC 116] considered the scope of equity jurisdiction of the High Court under Article 226 of the Constitution and pointed out as follows: (SCC p. 486, para 5).

> **"5. … It is the responsibility of the High Court as custodian of the Constitution to maintain the social balance by interfering where necessary for sake of justice and refusing to interfere where it is against the social interest and public good."**

31. The present appeal does not present any special feature warranting exercise of equitable discretionary jurisdiction in favour of the appellants. The equity jurisdiction is exercised to promote honesty and not to frustrate the legitimate rights of the other parties.

32. It is settled legal proposition that if an order is bad in its inception, it does not get sanctified at a later stage. A subsequent

action/development cannot validate an action which was not lawful at its inception, for the reason that the illegality strikes at the root of the order. It would be beyond the competence of any authority to validate such an order. It would be ironical to permit a person to rely upon a law, in violation of which he has obtained the benefits. (Vide Upen Chandra Gogoi v. State of Assam [(1998) 3 SCC 381: 1998 SCC (L&S) 872]; Satchidananda Misra v. State of Orissa [(2004) 8 SCC 599: 2004 SCC (L&S) 1181] and SBI v. Rakesh Kumar Tewari [(2006) 1 SCC 530: 2006 SCC (L&S) 143].)

33. In C. Albert Morris vs. K. Chandrasekaran [(2006) 1 SCC 228] this Court held that a right in law exists only and only when it has a lawful origin.

34. In Mangal Prasad Tamoli vs. Narvadeshwar Mishra [(2005) 3 SCC 422] this Court held that if an order at the initial stage is bad in law, then all further proceedings consequent thereto will be non-est and have to be necessarily set aside.

35. In the instant case, as we have observed that the alleged sale deed dated 20-4-1982 in favour of Mayur Sahkari Awas Samiti has been a void transaction, all subsequent transactions have merely to be ignored.

12.1. Same proposition is reiterated in the case of **State of Orissa vs. Mamata Mohanty,** reported in **(2011) 3 SCC 436,** as under:-

"**37. It is a settled legal proposition that if an order is bad in its inception, it does not get**

sanctified at a later stage. A subsequent action/development cannot validate an action which was not lawful at its inception, for the reason that the illegality strikes at the root of the order. It would be beyond the competence of any authority to validate such an order. It would be ironic to permit a person to rely upon a law, in violation of which he has obtained the benefits. If an order at the initial stage is bad in law, then all further proceedings consequent thereto will be non-est and have to be necessarily set aside. A right in law exists only and only when it has a lawful origin."

12.2. Application of the aforesaid proposition of law, to the given factual matrix, this Court afraid, the relief, as prayed for, by the petitioners herein, cannot be granted, since the illegality strikes at the root of the appointment of the petitioners, from the very inception. As held in the case of **Mangal Prasad Tamoli(supra), C. Albert Morris(supra)** and **Mamata Mohanty(supra)** right in law exists only when it has a lawful in origin.

12.3. As held in the case of **Ritesh Tewari (supra),** while exercising the power of the extraordinary jurisdiction; the court has to balance competing interests, keeping in mind that the interests of justice and public interest coalesce generally. An order in equity is one which is equitable to all the parties concerned. It is also well settled in the said case that where a party's claim is not founded on valid grounds, the party cannot claim equity. A party that claims equity must come before the court with clean hands as equities have to be properly worked out between the

parties to ensure that no one is allowed to have their pound of flesh vis-à-vis the others, unjustly.

12.4. As discussed in the foregoing paragraphs, the petitioners herein had failed to annex any appointment orders, except however, petitioners' No. 73 and 77, (Annexure 15 & 16), which are also just replacement orders which is an internal arrangement of the Department. They had also failed to produce any documents showing that they were appointed in the establishment of Executive Engineer (R&B), Peren Division, Peren, and Tuli Division, Mukokchung, Nagaland, as Fixed pay Labour, by the respondent authorities.

12.5. In that view of the matter the submission of Mr. Angami that the state exchequer cannot be burdened to pay arrear (backlog) salary to the petitioners, whose very appointment was illegal and bogus, is found to be justified and it has considerable force. The approach of the petitioners herein appears to be not clean and if the respondent authorities are directed to pay the arrear salary to the petitioners, then it would be inequitable to them, as it would not only becomes a burden upon the public exchequer, but also it would secure a dishonest advantage or perpetuate an unjust gain to the petitioners.

13. This Court has carefully gone through the decisions, so referred by Mr. Walling, learned counsel for the petitioner, and finds that there is no quarrel about the propositions laid down therein. But, the same proceeds on their own facts and are not applicable in all force to the given factual matrix on account of the discussion and finding recorded herein above. Further, the appointment of the petitioners were not irregular, but illegal.

Therefore, this Court afraid the decisions referred by Mr. Walling would not advance the case of the petitioners.

13.1. It is the responsibility of this Court to maintain the social balance by interfering where necessary for sake of justice, and refusing to interfere, where it is against the social interest and public good. The petitioners herein havefailed to present any special reasonto exercise the equitable discretionary jurisdiction in their favour, while it is well settled that the equity jurisdiction is exercised to promote honesty and not to frustrate the legitimate rights of the other parties.

14. Under the given factual and legal matrix, the issue, so formulated herein above, has to be answered in negative. And accordingly, the same stands answered. The petitioners in both the writ petitions, are not entitled to back wages from the date of the Office Memorandum, dated 21.08.2021, by which they were asked not to attend the office, till termination of their services, vide Notification No.ENC/PIMS/WC.VER/CORR/2022/557/4115, dated 06.11.2024.

15. In the result, this Court finds these petitions devoid of merit and accordingly, the same stand dismissed, leaving the parties to bear their own costs.
