Under the ROPA Rules, 2019 there was revision of the gratuity amount payable to the petitioner. The revised Pension Payment Order was issued on 17.08.2021 and the arrear revised pension was disbursed on 22.08.2021 in terms of ROPA 2019. The petitioner claims interest on delayed payment of revised gratuity as also arrear pension.
3. I have heard learned counsel for the parties and considered the orders passed by this court in similar facts.
4. It is settled law that the right of a retired employee to get his retiral dues as and when the same becomes due and payable. If payment of the retiral dues is delayed the retired employee is surely entitled to get some interest for such delayed payment.

5. In the present case, it was the bounden duty of the State to disburse the pension amount on the due date. If it has failed to do so and has released such amount after unexplained delay, it is obliged to pay interest to the retired employee. Pension and gratuity are welfare provisions aimed at maintaining the life of a retired employee and his/her dependents. This is compensatory in nature.
6. In view of the aforesaid, I direct the concerned Treasury Officer to pay interest to the writ petitioner at the rate of 5% per annum on the revised gratuity and arrear pension calculated on and from the due date till the date of actual payment, provided the delay caused was not attributable to the petitioner.
7. The Treasury Officer shall not be obliged to pay interest if the delay was caused on account of any lapse on the part of the teacher.
8. Such payment is to be made within eight weeks from the date of communication of the certified copy of this order to the concerned authorities.
