Ct.No.35

Rejected

IN THE HIGH COURT AT CALCUTTA
CRIMINAL MISCELLANEOUS JURISDICTION

C.R.M. (NDPS) 905 of 2026

In Re : An Application for bail under Section 439 of the Code of Criminal Procedure, 1973 corresponding to Section 483 of the Bharatiya Nagarik Suraksha Sanhita, 2023 filed in connection with Berhampore Police Station Case No. 2126 of 2024 dated 28.12.2024 under Sections 21(c)/29 of the Narcotic Drugs and Psychotropic Substances Act, 1985.

And

In Re : **Rahul Sk**

... Petitioner.

Mr. Anisur Rahman,
Mr. Akashdeep Nath

... For the Petitioner.

Mr. Anurag Sardar

... For the State.

Learned advocate appearing for the petitioner submits that the petitioner has been implicated on the basis of statement of co-accused and is unnecessarily being detained behind the bars.

Learned advocate appearing for the State, on the other hand, opposes the prayer for bail and submits that initially 10,000 bottles of Codeine Phosphate were seized and thereafter on the statement of the accused, the present petitioner was apprehended and from his custody another 40 bottles of Codeine Phosphate were recovered. The antecedents of the present petitioner reflect that the petitioner was implicated in Berhampore P.S. Case No. 472 of 2021, Berhampore P.S. Case No. 217 of 2017 and Murshidabad P.S. Case No. 1002 of 2024.

Having considered the rigours of Section 37 of the NDPS Act being attracted along with the criminal antecedents of the present petitioner, I am not inclined to release the petitioner on bail. As such, the prayer for bail of the petitioner is **rejected**.

The application for bail, being CRM (NDPS) 905 of 2026, is, thus, dismissed.

Memo of Evidence submitted by the learned advocate appearing for the State be kept with the record.
