WPA No. 25248 of 2025

Sri Samir Haldar
Vs.
CESC Limited & Ors.

Mr. Somraj Dhar
Ms. Suman Singh
... for the petitioner

Mr. Raja Ram Banerjee
... for the State

Mr. Suman Ghosh
... for the CESC Limited

Mr. Suman Chattopadhyay
... for the Pvt. respondent

Report filed on behalf of CESC is taken on
record.

This is a second round of litigation
between the parties.

By an order dated 7th October, 2024, a
Coordinate Bench of this Court had directed the
representation of the petitioner to be considered
by the Grievance Redressal Officer (GRO).

By a communication dated 8th March,
2024, GRO has rejected the prayer of the
petitioner on the ground that there was no
necessity of shifting the meter of the private
respondent. The impugned communication also
records that the supply can be disconnected if the
registered consumer opts for voluntary
disconnection or the consumer violates Court of
Law.

On behalf of the private respondent, it is submitted that an identical writ petition was filed being WPA 17173 of 2025 (Sri Samir Halder & Ors. Vs. Calcutta Electric Supply Corporation Limited (CESC) & Ors.). By an order dated 25th August, 2025, the said writ petition stood dismissed.

In view of the above facts and circumstances, the direction which the petitioner seeks, is misconceived. There are no grounds to interfere with the communication dated 8th March, 2024. The GRO has arrived at a finding that there was no necessity to provide an electricity connection to the respondent and there is no infirmity in the said communication nor is there any other ground to interfere with the same.

In view of the above, WPA 25248 of 2025 stands dismissed.
