RANJAN

WPA 26469 of 2025

MANU PRADHAN

VS.

CESC LIMITED & ANR.

Mr. Bidyut Kumar Halder
Mr. Indranil Halder
Ms. Neha Singh

.....for the Petitioner

The grievance of the petitioner is directed against non-supply of a new meter at the subject premises.

On behalf of the CESC Limited, it is submitted that by a communication dated 07.08.2024, the petitioner were duly informed that they were unable to install a separate service connection in a portion of the premises since there was already an existing service line.

On behalf of the petitioner, it is submitted that they are ready and willing to obtain an electricity connection through a looped meter, if necessary.

In view of the submissions made on behalf of the petitioner, WPA 26469 of 2025 stands disposed of by directing the petitioner to make a fresh application for a separate electricity connection through a looped meter in accordance with law after complying with all prescribed formalities.

If such application is made within ten days from date, the respondent CESC Limited is directed to consider and dispose of the same within three weeks from the receipt of such application.

(RAVI KRISHAN KAPUR, J.)
