WPA No. 27906 of 2025

Jhunu Roy
Vs.
CESC Ltd. & Ors.

Mr. Sayantan Adhya
... for the petitioner

Ms. Susmita Chatterjee
... for the CESC Ltd.

Ms. Indrani Chakraborty
Ms. Sarda Sha
... for the State

Affidavit of Service filed on behalf of the
petitioner be kept with the record.

The grievance of the petitioner is directed
against the refusal of the respondent-CESC Ltd.
to supply a separate electricity connection to the
premises of the petitioner.

Pursuant to earlier orders of Court, the
Report filed by the CESC Ltd. be kept with the
records.

It appears from the Report that despite
several attempts to install a new meter at the
existing meter room at the subject premises, the
private respondents have created hindrances and
obstructions. It further appears from the Report
that the meter room has been locked by the
private respondent and the CESC Ltd. have been
unable to access the meter room.

The relationship between the petitioner and the private respondents is one of brother and sister. Despite service, the private respondent remains unrepresented.

In view of the above, WPA 27906 of 2025 stands allowed by directing the CESC Ltd. to install a separate electricity connection at the existing meter room of the subject premises. In carrying out such exercise, the concerned police authorities being the respondent no. 3 will provide all assistance to the CESC Ltd., if necessary, by breaking open the padlock at the existing meter room. The necessary cost and expenses for carrying out the above exercise shall be borne exclusively by the petitioner. The petitioner will also take necessary steps for installation of the main switch at the existing meter room. The above exercise is to be carried out as expeditiously as possible and preferably within two weeks from the date of communication of this order.
