The Court: We are informed by Mr. Das, learned Advocate representing the Eastern Coalfields Limited that in the present case also he is in receipt of the instructions as has been recorded today in APOT/243/2025, which reads as follows :

“In connection to the trail mail this is to inform you that the competent authority of ECL has agreed for payment of MMCC (without interest) as per the mutual consent by both the parties from the date of death of the ex-employee until she attains 60 years of age. Accordingly Medical examination for assessment of her age is also to be done this week.”

The learned Advocate representing the writ petitioners submits that he has instruction to accept the amounts in terms of the written instructions extracted above.

We expect that appropriate steps will be taken to ensure expeditious payment as per the above noted instructions, in accordance with law.

In view of the stand of the parties recorded above, nothing survives in the appeals. Pendency of the same would be futile.

The appeals along with the connected applications are disposed of accordingly.
